

Privacy notice – Welsh Government grants

The Welsh Government provides a wide range of grant schemes to help deliver our policies and create a fairer, more prosperous Wales.

The Welsh Government will be data controller for any personal data you provide in relation to your grant application or request for grant funding. The information will be processed as part of our public task (i.e. exercising our official authority to undertake the core role and functions of the Welsh Government) and will help us assess your eligibility for funding.

Before we provide grant funding to you, we undertake checks for the purposes of preventing fraud and money laundering, and to verify your identity. These checks require us to process personal data about you to third party fraud prevention agencies.

If we, or a fraud prevention agency, determine that you pose a fraud or money laundering risk, we may refuse to provide the grant funding you applied for, or we may stop providing existing grant funding to you.

A record of any fraud or money laundering risk will be retained by the fraud prevention agencies, and may result in others refusing to provide services, financing or employment to you.

We will keep personal information contained in files in line with our retention policy. If successful in your application then your personal data will be kept for 7 years after the date when you, as grant recipient, are free from all conditions relating to the grant awarded and all payment have been made. However, if the funding is awarded under General Block Exemption or De Minimis, your personal data will be kept for 10 years from the conclusion of any aid award. If you are unsuccessful your details will be kept for one year after the date you provided them.

Under the data protection legislation, you have the right:

- to access the personal data the Welsh Government holds on you;
- require us to rectify inaccuracies in that data
- to (in certain circumstances) object to or restrict processing
- for (in certain circumstances) your data to be 'erased'
- to lodge a complaint with the Information Commissioner's Office (ICO) who is the independent regulator for data protection
