

## **Appendix 2: Full list of consultation questions**

### Question 1

Are there any other key features, resources or activities in Welsh seas that we need to take account of?

### Question 2

Are there other ways in which integration could be improved?

### Question 3

What sectors do you think need to be included in the governance arrangements?

Question 4: What other key Welsh documents do you think need to be taken into account and why?

### Question 5

Do you think that there are currently any significant information or data requirements that we need to have in order to plan for the Welsh marine area?

### Question 6

Could you help fill them, and how?

### Question 7

Do you think we need to plan on a more sub-national level?

### Question 8

If you do, what approach would you like us to take to sub-national marine planning and why?

### Question 9

Are there different approaches that we could take?

### Question 10

Are there other countries or authorities that we need to have close or formal relationships with?

### Question 11

Do you agree with this approach?

### Question 12

How do you think we can make best use of existing coastal partnerships?

### Question 13

How else can we reach the public?
