## **Introduction**

1. On 2 March 2012 we consulted on proposals to strengthen *Planning Policy Wales* and introduce a clear statement on the presumption in favour of sustainable development within the planning system. The consultation was open for 12 weeks and ended on 25 May 2012.
2. An index of the responses received is set out below. Copies of the consultation responses received are contained in 3 separate files. Details of the consultation, including a consultation summary report, have been published on the Welsh Government's website:  
<http://wales.gov.uk/consultations/planning/planforsusconsultation/>.

## **Responses**

3. A total of 87 responses were received. Respondents were asked to complete a separate response form; however some responses were received within an email. Each response was assigned a specific reference number.

## **Data Protection**

4. For data protection purposes the name and address details for those respondents who did not wish to be identified have been removed from the index below and from the published consultation responses.

Notes:

\* This respondent submitted two representations – these comments have been combined in order to avoid repeated results in the statistical analysis of the specific questions.

\*\* Two separate representations have been received on behalf of Carmarthenshire County Council. These were classed under the ‘LPA’ and ‘Others’ category respectively within the completed consultation response. These have been treated as two separate responses.

\*\*\* There is no reference number 15 because this number was an incorrectly assigned representation.
