**SOCIAL CARE, WALES**

**The Care and Support (Direct  
Payments) (Wales) Regulations  
2015**

**EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations set out the circumstances when local authorities are either required or allowed to make direct payments under Part 4 of the Social Services and Well-being Act 2014 (“the Act”) as a way of meeting a person’s needs for care and support.

Regulation 2 sets out the circumstances when local authorities will be under a duty to make direct payments. The duty will apply in all cases when the conditions contained in sections 50, 51 or 52 of the Act are met except in cases to which regulation 13 applies. Regulation 3 provides that making direct payments discharges a local authority’s function (whether a duty or a discretion) to meet care and support needs.

Regulation 4 fulfils the requirement in section 53(5) of the Act that the regulations include provision about steps a local authority must take to enable people to make informed choices about direct payments.

Regulation 5 sets out certain additional steps which must be taken by a local authority if the person for whose benefit the payments are to be made lacks capacity.

Regulation 6 sets out the circumstances when direct payments may be used to pay a person who is a relative and lives in the same household as the person for whose benefit they are made. Regulation 7 imposes a requirement requiring direct payments to be subject to conditions where the person for whose benefit they are made lacks capacity.

Regulation 8 gives local authorities a discretion to make direct payments subject to conditions. Regulation 9 sets out when a local authority can terminate the arrangements for direct payments and require repayment.

Regulation 10 creates requirements about the frequency of reviews and the people that the local authority must involve in the review.

Regulation 11 makes provision to comply with the requirement in section 53(7) of the Act that the regulations must specify the benefits whose receipt qualifies a person to receive direct payments without being subject to any contribution.

Regulation 12 contains provision about persons who lose capacity including on a temporary basis.

Regulation 13 applies in relation to a range of persons who are subject to requirements made by orders in the criminal justice system or licence requirements following sentence and which relate to the person's drug or alcohol use. Local authorities are able to make direct payments to these persons but they can only do so on condition that payment is made to another person who is suitable and both persons agree to the arrangement.

Regulation 14 sets out the modifications which apply to persons whose entitlement is to after-care services under section 117 of the Mental Health Act 1983.

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has been prepared as to the likely costs and benefits of complying with these Regulations. A copy can be obtained xxx

(2) Sections 50- 53 of the Act are modified in relation to persons to whom s.117 of the Mental Health Act 1983 applies by the provisions in Schedule A1 of the Act (inserted by section 75 and Part 2 of Schedule 4 of the Care Act 2014 (2014 c.23)).

(3) “suitable person” is defined in section 50(5) of the Act

(4) “Parental responsibility” is defined in section 3 of the Children Act 1989 (1989 c.41)

may be made for the benefit of A under section 51 of the Act;

“direct payments” means payments made by a local authority towards the cost of meeting a person’s needs for care and support in accordance with sections 50, 51 or 52 of the Act;

“relative” means—

- (a) a spouse or civil partner;
- (b) a person who lives with a person as if a spouse or civil partner;

(4) In these Regulations references to a person’s needs “for care and support” are to be read as a person’s “needs for support” where the person is a carer.

### **Duty to make payments**

2. Where a local authority—

- (a) (i) is under a duty to meet a person’s needs for care and support under section 35, 37, 39, 40 or 42; or
  - (ii) has decided to meet the needs of a person for care and support under section 36, 38 or 45;
- and
- (b) the conditions in section 50, 51 or 52 (as the case may be) are met,

it must make direct payments towards the cost of meeting that person’s needs for care and support unless the person is a person to whom regulation 13 applies.

### **Effect of making payments**

3. Where a local authority makes direct payments to a person, the making of the payments displaces the local authority’s duty or power to provide, directly or indirectly, to meet the needs, or that aspect of the needs, in relation to which the payments are made and

for the duration of the period for which payments are made.

### **Steps to enable informed choices about direct payments**

**4.**—(1) When a local authority —

- (a) decides that it will meet the needs of A for care and support, and
- (b) determines that making direct payments is an appropriate way of meeting A's needs,

it must provide information to A to ensure that A is able to make an informed choice about whether or not to consent to the making of payments.

(2) The information which a local authority provides must include—

- (a) how it proposes to meet those needs if the needs are not met by the making of direct payments;
- (b) confirmation of whether, in the local authority's view, direct payments are an appropriate way of meeting A's needs;<sup>(1)</sup>
- (c) information about the nature and the purpose of direct payments;
- (d) information about different ways of managing direct payments;
- (e) the amount of any payments which the person would be entitled to if a choice was made to have a direct payment and how the amount of the payment would be calculated;
- (f) about the support which is available to assist people to manage direct payments whether from the local authority or from any other person;
- (g) about the effect of financial assessment and whether, in the case of the needs in question any direct payments would be likely to be made as gross payments or net payments.

(3) Where A is an adult who does not have capacity, the local authority must instead provide the information to any person authorised under the Mental Capacity Act 2005 to make decisions about A;

(4) Where A is a child aged 16 or 17 who does not have capacity, or is a child below the age of 16 who does not have sufficient understanding to make an informed decision, the local authority must instead

---

(1) One of the conditions for triggering a requirement or a discretion to make direct payments to meet a person's need for care and support is that the local authority is satisfied that direct payments are an appropriate way of meeting the person's needs – see sections 50(3)(c)(i), 50(4)(d)(i), 51(5)(a) and 52(5)(a) of the Act.

provide the information to a person with parental responsibility for A.

### **Duty to consult and take other steps for persons without capacity**

5. Before considering whether direct payments are an appropriate way of meeting the needs of A where A is an adult without capacity, a local authority must —

- (a) consult—
  - (i) anyone named by A as someone to be consulted on the issue;
  - (ii) anyone engaged in caring for A or with a significant interest in A's welfare;
  - (iii) P, being the person to whom it is proposed the payments will be made; and
  - (iv) a person authorised under the Mental Capacity Act 2005 (whether in general or specific terms) to make decisions about A's need for care and support;
- (b) where A is an adult who previously had capacity, consider, so far as reasonably practicable—
  - (i) A's past and present wishes and feelings and, in particular, any relevant written statement made by A while still with capacity;
  - (ii) the beliefs and values which would be likely to influence A's decision; and
  - (iii) any other relevant factors that A would in the local authority's view be likely to consider, if able to do so; and
- (c) obtain an enhanced criminal record certificate issued under section 113B of the Police Act 1997 in respect of P where P is an individual but is neither a relative of A nor a friend of A who is involved in A's care.

### **Conditions about using direct payments to pay relatives**

6.—(1) Unless the circumstance in paragraph (2) applies a local authority must impose a condition that direct payments are not to be used to pay a relative of A who lives in the same household for either—

- (a) providing care and support, or
- (b) help in managing the payments.

(2) The circumstance in which a local authority may authorise the use of direct payments to pay a relative is that it is, in the view of the local authority, necessary for the well-being of A.

### **Conditions requiring vetting**

7.—(1) Where a local authority makes direct payments under section 50 to P because A lacks capacity, it must impose conditions as set out in this regulation.

(2) The conditions are—

- (a) that P acts in the best interests of A when securing the provision of care and support; and
- (b) that P notifies the local authority if P believes that A no longer lacks capacity.

(3) Where the circumstances in paragraph (4) apply the local authority must also impose a condition that P obtains—

- (a) an enhanced criminal record certificate issued under section 113B of the Police Act 1997 including suitability information relating to vulnerable adults (within the meaning of section 113BB of that Act) or children (within the meaning of section 113BA of that Act); or
- (b) verification that a satisfactory certificate of that sort has been obtained,

in respect of any person from whom a service is secured being a service for which the direct payments are made.

(4) The circumstances in which a local authority must impose the condition in paragraph (3) are that P is not—

- (a) a relative of A; or
- (b) a friend of A who is involved in the provision of care for A.

### **Further conditions which a local authority may apply to the making of direct payments**

8.—(1) A local authority may make a direct payment subject to further conditions.

(2) Conditions imposed under paragraph (1) may, for example, include a requirement that—

- (a) the needs in respect of which payment is being made may not be met by a particular person;
- (b) the recipient of the payments must provide information reasonably required by the local authority for the purposes of ensuring that direct payments are an appropriate way of meeting A's needs.

(3) A condition imposed under paragraph (2)(a) may not require that A's needs can only be met by a particular person.

## **Repayment of direct payments**

**9.** A local authority may terminate its arrangements for making direct payments and may require repayment of all or part of the direct payments which it has made if it is satisfied either—

- (a) that the payments have not been used to meet the need to which it relates; or
- (b) that a condition imposed under regulation 6, 7, 8 or 13 has not been complied with.

## **Reviews**

**10.—(1)** A local authority must review the arrangements for the making of direct payments and the use which is being made of them—

- (a) at intervals which the local authority determines appropriate at the point of starting to make direct payments to A, having regard to the circumstances in A's case;
- (b) when A or P call for a review;
- (c) when the local authority calls for a review either because—
  - (i) it is concerned that the use being made of the direct payments is not meeting the needs of A;
  - (ii) it is concerned that a condition attached to the making of the payments is not being complied with; or
  - (iii) there is a significant change in A or P's circumstances; and
- (d) in any event, at intervals not greater than—
  - (i) 6 months after the first payment is made; and
  - (ii) 12 months following the first review.

(2) Where A, P or the local authority call for a review under subparagraphs (1)(b) or (c), the period before the next review is due will be extended accordingly.

(3) When carrying out a review the local authority must involve—

- (a) A;
- (b) P (where payments are made to P);
- (c) any carer of A;
- (d)
  - (i) any person whom A asks the local authority to involve;
  - (ii) if A is an adult who lacks the capacity to decide who to involve, any person authorised to make decisions about A's needs for care and support under the Mental Capacity Act 2005;

(iii) if A is a 16 or 17 year old who lacks the capacity to decide who to involve—

(aa) any person authorised to make decisions about A's needs for care and support under the Mental Capacity Act 2005; or

(bb) a person with parental responsibility for A;

(iv) if A is a child below the age of 16, A's parent or other person in a parental role; and

(e) any other person who the local authority considers to have sufficient involvement in the care or support arrangements for A.

(4) The requirement to involve a parent or other person in a parental role in a review under subparagraph (d)(iv) does not apply where, in the view of the local authority, involving that person would not be consistent with the child's well-being.

### **Direct payments for a child**

**11.**—(1) Where A is a child and a local authority makes direct payments under section 51 towards the cost of meeting that child's care and support needs, if the condition in paragraph (2) is met then the local authority must meet the requirements of paragraph (3).

(2) The condition in this paragraph is that either A or P are in receipt of —

(a) income support under Part 7 of the Social Security Contributions and Benefits Act 1992;

(b) any element of child tax credit other than the family element;

(c) working tax credit;

(d) income-based jobseeker's allowance;

(e) income-related employment and support allowance; or

(f) universal credit.

(3) The requirements in this paragraph are that the local authority —

(a) must make the payments at the rate which it estimates to be the reasonable cost of provision to meet the care and support needs in respect of which the payments are made; and

(b) must not make the payments subject to any condition requiring either the child A or, the recipient of the payment P, to pay any amount to the authority by way of reimbursement.

**Direct payments for an adult who no longer has capacity**

**12.**—(1) A local authority need not terminate the making of direct payments under section 50 in relation to A where A is an adult to whom paragraph (2) applies and one of the circumstances in paragraph (3) applies.

(2) This paragraph applies where A is an adult in relation to whom condition 1 in subsection (3)(b) of section 50 was met because A had capacity to consent to the making of payments at the time the arrangement started, but who subsequently loses capacity.

(3) This paragraph applies where either—

- (a) the local authority is satisfied that A’s loss of capacity to consent to the making of payments is temporary and either—
  - (i) the period or periods of loss of capacity are not likely to affect A’s ability to manage the payments; or
  - (ii) another person who appears to the authority to be capable of managing the payment is prepared to accept and manage the payments on behalf of A during the periods of A’s incapacity; or
- (b) condition 2 in subsection (4) of section 50 of the Act is met.

**Persons subject to requirements imposed in relation to drug or alcohol use**

**13.**—(1) This regulation applies to persons listed in Schedule 1.

(2) A local authority may make a direct payment to a person to whom this regulation applies but only if it attaches conditions in the terms set out in paragraph (3) and the further condition in paragraph (4) is met.

(3) The conditions which must be attached are—

- (a) that A agrees and remains in agreement that the payments are made to a person (“B”) to manage on A’s behalf; and
- (b) that B agrees and remains in agreement to receive the payments and to manage the payments to meet A’s needs for care and support.

(4) The further condition is that the local authority is satisfied that B is an appropriate person to receive and manage payments on A’s behalf.

**Section 117 Mental Health Act**

**14.**—(1) Where a local authority is under a duty to provide aftercare services for a person under section 117 of the Mental Health Act 1983 and the conditions

in sections 50, 51 and 52 (as modified by Schedule A1) are met, then it must make direct payments to discharge its duty unless the person is a person to whom regulation 11 applies.

(2) These Regulations apply to direct payments made in discharge of a local authority's duty under section 117 with the following modifications.
