Introduction

1. On 6 October 2014 we consulted on how to support our national planning policy on design and facilitate the delivery of good design through the planning system. The consultation was open for 12 weeks and ended on 16 January 2015.

2. An index of the responses received is set out below. Copies of the consultation responses received are contained in 3 separate files. Details of the consultation, including a consultation summary report, have been published on the Welsh Government's website: <http://gov.wales/consultations/planning/design-in-the-planning-process/?status=closed&lang=en>

Responses

3. A total of 67 responses were received. Respondents were asked to complete a separate response form; however some responses were received within an email. Each response was assigned a specific reference number.

Data Protection

4. For data protection purposes the name and address details for those respondents who did not wish to be identified have been removed from the index below and from the published consultation responses.
