**The Public Health Wales National  
Health Service Trust (Membership  
and Procedure) (Amendment)  
Regulations 2016**

**EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations amend the Public Health Wales National Health Service Trust (Membership and Procedure) Regulations 2009 (S.I. 2009/1385 (W.141)) by removing the requirement for the local authority non-executive director and the university non-executive director to be nominated. These Regulations also remove the requirement for the university and voluntary sector non-executive directors to hold posts in Wales. The university non-executive director will no longer have to have teaching or research specialism in public health; instead all that will be required is for the person to hold a post in a university that is related to health.

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, it was not considered necessary to carry out a regulatory impact assessment as to the likely costs and benefits of complying with these Regulations.
