Dear Sir/Madam

**Draft Legislation (Wales) Bill Consultation**

Although the University and College Union (Wales) will not be submitting a formal response to the above consultation, we would like to offer support for the proposals contained within it.

We agree that it is important for the law to be as accessible as possible, to all citizens and that any plan to make this process easier and to increase understanding, is a positive step forward.

Therefore, in the interests of increasing social partnership working in Wales, we welcome to proposals to move towards a system of codified legislation, to help reduce the complexity of law that currently applies to Wales.

Yours faithfully
