

National Development Framework: Easy Read questionnaire

Part A – the main points of the NDF

Q1. 1. Do you think we are aiming to do the right things with our plan?

No

Comments:

All the focus is on south wales and Cardiff in particular for funding. Mid Wales is missing out yet again.

Q2. 2. We have 10 aims in the NDF. Should we think about anything else? Tell us anything we've missed out

Yes

The NDF also needs to think about...

Concentrate on improving links into and out of mid wales. More and better paid jobs needed. Again the focus is on improvements in the south. Anything above Merthyr does not appear to exist.

Q3. 3. Do you think the Plan will help achieve healthy and well-planned places?

No

Q4. 4. Do you think the plan will help us take care of our environment?

No

Comments:

Unless more funding is put into sustainable farming then this is an area that will not improve.

Part B – different parts of Wales

Q5. 5. Do you agree with our plans for North Wales?

Not sure

Q6. 6. Do you agree with our plans for Mid and South West Wales?

No

Comments:

It appears that this is just to be set aside for windfarms with very little development and funding going into it.

Q7. 7. Do you agree with our plans for South East Wales?

Not sure

Part C

Q8. 8. Do you have any other comments you would like to make about this plan?

This is a plan to keep the money in south wales, rewild mid wales with no regeneration or expansion ideas set in place. It is the same story as it has been for the last 30 years.
