Subject: Objection to the proposals for Wind and solar farms on Anglesey
Date: 15 November 2019 10:15:41

Dear sir/madam

We wish to protest in the strongest terms against the proposals for wind and solar farms on Anglesey. They pose a great threat to the tourist industry on the island. Wind farms do not belong on land and should be sited at sea. We are both live on Anglesey and we urge you not to go ahead. Anglesey is a low income area and these proposals will destroy our economy.

Yours sincerely

Geoffrey and Dorothy Dale - [REDACTED]
