

National Development Framework: Easy Read questionnaire

Part A – the main points of the NDF

Q1. 1. Do you think we are aiming to do the right things with our plan?

No

Comments:

Enforcing an energy policy via a presumption in favour of wind and solar development rides roughshod over the democratic processes afforded to individuals via their local planning departments.

Q2. 2. We have 10 aims in the NDF. Should we think about anything else? Tell us anything we've missed out

Not sure

Q3. 3. Do you think the Plan will help achieve healthy and well-planned places?

Not sure

Q4. 4. Do you think the plan will help us take care of our environment?

No

Comments:

This is a recipe for extended protest and division which will only serve to drive a wedge between local politicians and the people in the same way Brexit has achieved throughout the United Kingdom. A much more democratic approach is an absolute necessity

Part B – different parts of Wales

Q5. 5. Do you agree with our plans for North Wales?

No

Comments:

It depends where you draw the North Walian line, but if this includes North Powys, then no, for reasons explained regarding the energy proposals

Q6. 6. Do you agree with our plans for Mid and South West Wales?

No

Comments:

For reasons explained regarding the energy proposals

Q7. 7. Do you agree with our plans for South East Wales?

Not sure
