## Part A – the main points of the NDF

Yes

Wind farms and sun farms would be beneficial. Metro services is a good idea.

Q2. 2. We have 10 aims in the NDF. Should we think about anything else? Tell us anything we've missed out

Not sure

Wales is beautiful so we need to keep that in strong focus for tourism, which is beneficial to the economy.

Q3. 3. Do you think the Plan will help achieve healthy and well-planned places?

Not sure

Hope so, if in the right areas and not the centre of the countryside and nearer main road networks. As long as water isn't polluted and trees aren't felled.

Q4. 4. Do you think the plan will help us take care of our environment?

Not sure

If in the right location the plan will take care of the environment. (as ans to Q3)

## Part B – different parts of Wales

## Part C
