

National Development Framework: Easy Read questionnaire

Part A – the main points of the NDF

Q1. 1. Do you think we are aiming to do the right things with our plan?

Yes

Q2. 2. We have 10 aims in the NDF. Should we think about anything else? Tell us anything we've missed out

Not sure

The NDF also needs to think about...

Swansea Bay Barrage should be included as it will produce new jobs, produce reliable energy, and technology we can export.

Q3. 3. Do you think the Plan will help achieve healthy and well-planned places?

Yes

Comments:

Green belts are so needed to provide clean air around cities and carbon absorption.

Q4. 4. Do you think the plan will help us take care of our environment?

Yes

Comments:

We need to increase our tree cover to mitigate against climate change and build resilience in habitats.

Part B – different parts of Wales

Q5. 5. Do you agree with our plans for North Wales?

Not sure

Comments:

Unfamiliar with this region.

Q6. 6. Do you agree with our plans for Mid and South West Wales?

Not sure

Comments:

concerned at the amount of land to be used for wind farms - this applies across Wales.

Q7. 7. Do you agree with our plans for South East Wales?

Yes

Comments:

Integrated transport needed around M4 corridor. also need to provide Area of Outstanding Natural Beauty status for the Gwent Levels.

Part C

Q8. 8. Do you have any other comments you would like to make about this plan?

We do need more environmentally friendly energy generation but there is too much emphasis on solar and wind power to the detriment of the beauty of the natural environment and a balance should be made between this and providing wave and hydro opportunities, especially as we can maximise our gained expertise on wave generation and export it.
