No

Q3. 3. Do you think the Plan will help achieve healthy and well-planned places?

Yes

Q4. 4. Do you think the plan will help us take care of our environment?

Yes

Part B – different parts of Wales

Q5. 5. Do you agree with our plans for North Wales?

Yes

Q6. 6. Do you agree with our plans for Mid and South West Wales?

Not sure

Comments:

It is noted that some areas in gower E.G. Southgate, pennard etc have been changed to become Gower fringe. This means that building etc. can now adhere to different rules .This change in designation seems to be following the search for housing sites, not the other way around. This area is mainly rural the moment and is very close to 3 cliffs bay and pobbles bay. I would not agree to extensive building here. Although I agree housing is much needed it should be for the immediate residents.

Q7. 7. Do you agree with our plans for South East Wales?

Yes

Part C

Q8. 8. Do you have any other comments you would like to make about this plan?

It is not a good idea to extend Cardiff Airport. This is completely at odds with the declaration of a Climate Emergency and would make a mockery of it.

Affordable (sic) Housing is covered by this plan but Social Housing is not. This plan should serve the interests of all residents not just those who can afford to buy a home.
