Comments:

Mid Wales relies on tourism, and the plans for windfarms and solar do not take into account that the views and undisturbed areas that most tourists come for will be destroyed. This will have a devastating effect on a lot of businesses in the area. Ultimately causing many to close, thus leaving towns and villages dead, and many people without jobs.

Yes

Part C

Q8. 8. Do you have any other comments you would like to make about this plan?

It need to be looked at again to try to find a way around the windfarm and solar issue.
