Part C

Q8. 8. Do you have any other comments you would like to make about this plan?

The whole raft of proposals are totally undemocratic and dictatorial without any allowance for local opinion or even Views which Local Councils would have about their local needs and situations. This is The Welsh Government at it's selfish worst and most ignorant. Their proposals are more appropriate to a Communist State!!!

A resounding NO!! to any more onshore wind farms or Solar arrays. Our landscapes in Wales are precious assets and must not be despoiled by ignorant and greedy government.
