

National Development Framework: Easy Read questionnaire

Part A – the main points of the NDF

Q1. 1. Do you think we are aiming to do the right things with our plan?

Yes

Comments:

But desperately needs: 1. Sufficient funding (fairly) 2. Joined up working between all involved (WG and local authorities) which is simply not the case currently where those 2 "bodies" contradict each other.

Q2. 2. We have 10 aims in the NDF. Should we think about anything else? Tell us anything we've missed out

Not sure

Q3. 3. Do you think the Plan will help achieve healthy and well-planned places?

Not sure

Comments:

A Plan is a Plan - and a Plan by itself doesn't achieve anything unless implemented effectively and funded.

Q4. 4. Do you think the plan will help us take care of our environment?

Yes

Comments:

Needs wholesale communication and a mechanism to contest decisions based on environmental impact. Current evidence is that decisions continue to be based on current tick lists and are ignoring environmental impact.

Yes

Q7. 7. Do you agree with our plans for South East Wales?

Yes
