# Sector Roadmaps

**The Why**

**To:**
Help, support and grow a skilled workforce for the future

**The How**

**To:**
Understand skills landscape and sector needs

**Next Step:** Sector Skills Consultation

## Consultation Outcomes / Findings

## Sector Roadmaps

Published Roadmaps will provide a timeline of activity to support: Key Milesstones

These are defined as future investments, major projects, transitioning sectors, changes in policy or legislation /
a point in time requiring shifts inexisiting skiils, new skills and workforce needs.

We want to shift the thinking on skills and workforce requirements to the forefront and support strong succession planning
