Mobile phones in schools

Draft guidance to help schools make clear and fair rules

What do you think?

About this response form

This is a Youth Friendly version of: **Developing a mobile phone policy: guidance for schools – consultation response form.**

We want to know what you think about our draft guidance for using mobile phones in schools.

How to share your views

Please read the draft guidance and then answer the questions in this document.
Please send us your views by Wednesday 2 December 2026.

Please do not give us any personal information. Like your name, phone number and email address.

You can email your answers to:

CMIA.SATE@gov.wales

Or you can print and post your answers to:

Questions

1. Do you think the draft guidance gives enough information to help your school make rules about mobile phones?

Yes

No

Don't know

If you do not agree please tell us what other information would be helpful:

2. Do you think the draft guidance is clear and easy to understand?

Yes

No

Don't know

If you said no, what parts did you find unclear or hard to understand?

3. Do you think the draft guidance will help schools make fair mobile phone rules?

Yes

No

Don't know

If not, what would help?

4. Do you think the draft guidance covers the main issues about using mobile phones in school?

Yes

No

Don't know

If no, what is missing?

5. Do you think the draft guidance will help schools put mobile phone rules into action?

Yes

No

Don't know

If not what else would help schools put mobile phone rules into action?

6. Schools may need to think about other digital devices too, for example, tablets, smart watches, and smart glasses.

Do you think we should write extra guidance that cover these devices too?

Yes

No

Don't know

Please tell us why you think this.

7. Do you think the draft guidance covers all the ways mobile phones may be used in school?

For example, paying for meals with a mobile phone, checking timetables.

Yes

No

Doesn't apply to my school

Don't know

If not please tell us what else should be included.

8. Do you think any further action is needed to make sure mobile phones are used safely in school?

9. Do you have any other comments about the draft guidance?

10. Do you think the draft guidance will have any effects on the Welsh language - good or bad?

11. Could we make any changes to the draft guidance, to make sure the Welsh language is not treated less important than English?

Using your information

We will share a summary of people's views. We will not include anyone's name or personal information.

If you do share any personal information in your response, we will remove it.

We will follow laws to make sure we store and use your answers correctly. We will keep them for up to 3 years.

If you would like to know more about how we use your information, please contact the Data Protection Officer:
