We are making a plan for the future of culture and sport in Wales – and we want to know what you think.

We want everyone in Wales to have the chance to enjoy culture and sport.

We want Wales to be a great place for culture and sport.

We think these things might be important – do you agree?

We want culture and sport to help people be active, healthy and happy.

We want to create jobs and give people chances to try new things.

We want places like sports clubs, museums and galleries to stay open and do well. This will give everyone a chance to enjoy them.

We want children and young people to be able to join in, try something new and learn new skills.

We want culture and sport to bring people together to have fun, share ideas and do things together.

We want people to celebrate Wales and share what makes Wales special with the world.

? What do you think?

These are our ideas.

Now we want to hear yours.

Your experiences and ideas can help shape the plan.

1. What is it like now?

Think:

- ➡ What do you enjoy doing?
- ➡ What sports or activities do you like?
- ➡ Are there reasons why you aren't able to take part in culture and sport?

2. What should it look like in 10 years?

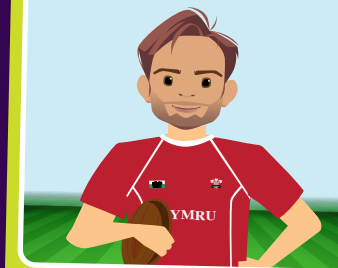

Imagine Wales when you are older:

- ➡ What would make culture and sport brilliant for children?

3. How can it happen?

Think:

- ➡ What do we need to do to make things better?

Thanks for taking part – your ideas matter
