# 1. Social distancing

Mobility reduced significantly at the end of March 2020, but steadily increased until the summer. Since alert level 4 was introduced mobility has fallen, especially over the Christmas holidays.

## 4. Third Sector Resilience Fund

Provides direct financial support for third sector organisations which need help to get through this crisis and by paying their bills and easing cash flow.

Phase 1 of the Third Sector Resilience Fund closed for new applications in summer 2020. As of 13 January 2021, 114 applications have been approved, and £4.85 million has been paid through Phase 1.

Phase 2 of the Third Sector Resilience Fund is currently open for applications. As of 13 January 2021, 20 applications have been approved, and £977.7 thousand has been paid through Phase 2.

## 5. Quality and methodology information

### Social distancing

The information is created with aggregated, anonymized sets of data from users who have turned on the Location History setting. The baseline is the median value, for the corresponding day of the week, during the 5-week period 3 January to 6 February 2020. The data shows changes broken down by six areas: retail and recreation, parks, supermarkets and pharmacy, workplaces, residential and public transport. Data are available for the local authority areas in Wales. An average of those is used to derive a Wales figure. No weighting is applied to account for the different sizes of each local authority, that is because that information is not available from Google, only relative change.

## COVID-19 community mobility reports

### Discretionary Assistance Fund (DAF)

DAF data is supplied to the Welsh Government by our service provider Northgate Public Services (NPS). The data is operational data that is extracted from their ICT system on a daily basis. The data does not go through any formal validation processes and therefore is not published as a National Statistic.

### Third Sector Resilience Fund

The Third Sector Response Fund data is monitoring data taken from the Wales Council for Voluntary Action's fund database.
