			Permanent	40	100	
INTENTIONAL				100% AND EXCLUDE FOR THE REMAINDER OF THE YEAR AND THE FOLLOWING YEAR. REVIEW CONTINUED PARTICIPATION IN THE SCHEME		

* This is the % reduction that will be applied after any payment that is normally made for the breached area has been deducted.

Descriptions

CRITERIA - DEFINITION	LEVEL	RANGE
SEVERITY: Verifiable Standard OR the percentage proportion of a breached prescription in relation to all of the same prescription under a Commitment. This percentage is matched to the relevant SEVERITY level on the matrix or as set in the verifiable standards	LOW	Verifiable Standard OR 0% to 10%, where measurable
	MEDIUM	Verifiable Standard OR >10% to 50%, where measurable
	HIGH	Verifiable Standard OR >50%, where measurable
EXTENT: Verifiable Standard OR the percentage proportion of a breached prescription in relation to the whole Commitment area. This percentage is matched to the relevant EXTENT level on the matrix.	1	Verifiable Standard OR 0% to 10%, where measurable
	2	Verifiable Standard OR >10% to 25%, where measurable
	3	Verifiable Standard OR >25% to 50%, where measurable
	4	Verifiable Standard OR >50%, where measurable
DURATION: Whether a breach can be rectified within a given timescale or not.	RECTIFIABLE 1	Can be rectified within 6 weeks or during the current claim period whichever is greatest.
	RECTIFIABLE 2	Can be rectified within remaining lifetime of the Commitment
	PERMANENT	Cannot be rectified in remaining lifetime of Commitment
