

## Annex 4 - INDEX

### How to use this index

References in bold type are to chapter numbers and references in normal type are to paragraph numbers within the chapter, for example:

Ø **10.** 14, 16 directs you to chapter 10 paragraphs 14 and 16; and

Ø **10.** 14–16 directs you to chapter 10 paragraphs 14–16.

As they are already in summary form, the sections at the ends of chapters on the law and guidance are not indexed; neither are the foreword, introduction and annexes.
