- 1. The legend is from the Transport Heavy alphabet at the 'x'-hts. shown. The availability of spaces shall have the style of lettering shown in Schedule 13 Part V to the Regulations where the method of varying the legend does not permit the use of Transport alphabet. The is not used for displaying the number of available spaces
 - 2. Details of the 'P' symbol are given on drawing S43.
 - 3. The outlines of the tiles do not form part of the sign.
 - 4. The colours are as follows:—
 Background & 'P' symbol _____ White
 Legend, border & arrow _____ Black
 'P' symbol tile _____ Blue
- The availability of spaces shall have red or green characters when Transport Heavy alphabet is used.
 Where the method of varying the legend requires the use of characters from Schedule 13 Part V to the Regulations these shall be either white, off-white or yellow on a black background.
- 5. The 'x'-heights shown are given in millimetres, all other dimensions are given in stroke widths (i.e. 1s/w = 1/4'x'-height).

 - The dimensions relating to the position of the legend indicating the availability of spaces may be adjusted to accommodate the means of varying the legend. Where Transport Heavy alphabet is used throughout, the parking place names associated with a right turn can, where possible, form part of the variable message element of the sign so that the horizontal gap between the legend and the right pointing arrow is always 2.5sw (measured to the place name) or 4sw (measured to the availability of spaces) as appropriate.
 - The order of languages may be reversed if required.
 - See sheet 1 for other dimensions. See Chapter 7 of the Traffic Signs Manual for further design guidance.
