Summary

The Welsh Ministers have powers under sections 14-17 of the Education Act 2002 to provide financial assistance for the promotion of the recruitment or retention of teachers or non-teaching staff.

Iaith Athrawon Yfory Incentive Scheme 2018 (2018 No. 42) (“the Scheme”) was made by the Welsh Ministers in the exercise of their powers on 7 December 2017. A copy of the Scheme is attached in the annex to this guidance note (Annex A). The Scheme makes provision for the Welsh Ministers to pay grants to secondary postgraduate ITE students, studying their programme through the medium of Welsh.

The Iaith Athrawon Yfory incentive scheme supports the Cymraeg 2050 Welsh language strategy, the Welsh Government’s ambition to increase the number of Welsh teachers and the target of a million Welsh speakers by 2050.

This is guidance as referred to in paragraph 3 of the Scheme and is designed to assist anyone administering the Scheme and those applying for grant under it. This guidance applies to postgraduate students in Wales who between 1 September 2018 and 31 August 2019 start ITE courses, through the medium of Welsh, leading to Qualified Teacher Status (QTS) run by initial teacher education providers accredited by the Higher Education Funding Council for Wales (HEFCW).

This guidance is issued by the Welsh Government and provides information on the Iaith Athrawon Yfory incentives. It outlines source of funding available, eligibility criteria and how payments will be made. The guidance does not itself establish what funding is available, eligibility or other grant conditions – these are set out in the Scheme and this should be read alongside this guidance for confirmation of grant availability.

1. Iaith Athrawon Yfory Incentive Scheme in Wales: academic year 2018/19 – overview

1.1 This section offers a brief overview of the Iaith Athrawon Yfory Incentive Scheme in Wales for courses starting between 1 September 2018 and 31 August 2019. It does not cover every aspect; full information on eligibility and conditions are set out in the sections below.

1.2 The Iaith Athrawon Yfory Incentive Scheme includes grants by way of incentives to eligible persons to undergo a secondary postgraduate ITE course through the medium of Welsh in Wales (“training grants”). The course must lead to Qualified Teacher Status (QTS), start between 1 September 2018 and 31 August 2019, and be run by an ITE provider accredited by the Higher Education Funding Council for Wales.

1.3 Training grants for postgraduate ITE courses in Wales starting between 1 September 2018 and 31 August 2019 are as follows:-

- (i) £500 for eligible persons on completion of an eligible postgraduate ITE secondary programme in Wales leading to QTS;
- (ii) £2,500 for eligible persons on successful completion of induction at a maintained Welsh medium or bilingual secondary school or teaching Welsh in any maintained secondary setting in Wales.

1.4 No grant will be paid to a person unless they have made an application to the Welsh Ministers, care of the Welsh Government, in an approved format. Eligible persons must be asked by their ITE provider to complete the relevant forms.

2. Training grants

Eligibility for training grants

2.1 The £500 and £2,500 training grants are available to eligible persons starting secondary postgraduate ITE courses in Wales between 1 September 2018 and 31 August 2019¹. The courses must lead to QTS and be run by an ITE provider accredited by the Higher Education Funding Council for Wales. The training grants are available for both full-time and part-time courses.

2.2 The Welsh Ministers have discretion not to pay a training grant to persons who have been accepted onto a Welsh eligible programme after the intake target for that course, as notified by the Higher Education Funding Council for Wales, has been reached. Students should seek confirmation from their provider that they are not affected by this.

2.3 To be eligible for a training grant, a person must:-

- (a) have undertaken an eligible programme in Wales which commenced on or after 1 September 2018 but prior to 1 September 2019;
- (b) be an eligible student;
- (c) be undertaking the Welsh Medium Improvement Scheme in the current academic year²;
- (d) not already be a qualified teacher;
- (e) not be employed to teach at a school or other institution as a teacher;
- (f) not be a participant in training organised under an employment-based teacher training scheme;
- (g) successfully completed an eligible programme and obtained QTS;
- (h) successfully completed induction within three years, following award of QTS, in one of the following induction settings; a maintained Welsh medium or bilingual secondary school, or teaching Welsh in any maintained secondary setting in Wales, as required under The School Teachers' Qualifications (Wales) Regulations 2012 which are in force at the time.

¹ If an ITE provider required students to attend a school before ITE began formally, provided that the course formally started after 31 August 2018, that would not make them ineligible for the training grant.

² Funding up to £2,000 is available separately for students undertaking the Welsh Medium Improvement Scheme, this is in addition to the £3,000 available under the Iaith Athrawon Yfory incentive scheme.

What grants should be paid

2.4 To be eligible for the training grant of up to £3,000, a person must be undertaking training on a secondary postgraduate ITE course which commenced between 1 September 2018 and 31 August 2019. The training grant of £3,000 will be paid in two instalments to eligible persons.

- (a) The first payment of £500 will be paid on successful completion of an eligible postgraduate ITE secondary programme in Wales leading to QTS. The programme will enable the eligible person to teach through the medium of Welsh.
- (b) The second payment of £2,500 will be paid upon successful completion of induction in a maintained Welsh medium or bilingual secondary school or teaching Welsh in any maintained secondary setting in Wales.

2.5 Individuals who are eligible for a training grant and leave a postgraduate ITE course before its completion will not be entitled to any grant.

2.6 Training grants for students resuming a course, or starting a course where entry has been deferred, will also be paid in two instalments (as detailed in para 2.4).

When the payments should be made

2.7 Both payments will be made by the Welsh Government to eligible persons on receipt of completed claim forms at the appropriate times.

2.8 In order to claim the training grant, eligible persons must:-

- (a) within one year of successfully obtaining QTS, submit the relevant claim form electronically to the Welsh Government; and
- (b) within one year of successfully completing their induction period (as specified in 2.2.1) submit the relevant claim form electronically to Welsh Government. This claim form should be sent to the Welsh Government from a secure e-mail account of the school where induction was completed.

2.9 If a student has been on long-term sick leave or has suspended their studies but resumes their course to complete the time they have missed, they will be eligible for funding on completion of a postgraduate ITE secondary programme in Wales leading to QTS and on successful completion of induction in a maintained Welsh medium or bilingual secondary school or teaching Welsh in any maintained secondary setting in Wales. Claimants will only remain eligible for the training grant if the deferment of their course is no longer than one academic year. This is subject to the provisions of paragraph 2.11.

How the training grants should be paid

2.10 Eligible persons will receive training grant payments from the Welsh Government. Payments will be made on receipt of the appropriately completed claim forms. Eligible persons will also need to submit a completed vendor details

form to the Welsh Government by **31 March 2019**. Eligible persons will be responsible for requesting the vendor details form from the Welsh Government.

2.11 The first payment will be paid on completion of a postgraduate ITE secondary programme in Wales leading to QTS. Eligible persons are required to submit a claim form to the Welsh Government within one year of successfully obtaining QTS. The second payment will be made on successful completion of induction in a maintained Welsh medium or bilingual secondary school or teaching Welsh in any maintained secondary setting in Wales. Eligible persons are required to submit a claim form to the Welsh Government within one year of successfully completing their induction period.

2.12 ITE providers are required to sign a declaration on the first claim form to confirm that the individual has undertaken a postgraduate secondary programme during academic year 2018-19 and successfully obtained QTS to enable them to teach through the medium of Welsh. Welsh Government will require a list of authorised signatories from each ITE provider by **1 June 2019**, to ensure that forms are appropriately signed.

2.13 Head teachers, Deputy Head teachers or Heads of Department are required to sign a declaration on the second claim form to confirm that the teacher concerned has successfully completed induction in a maintained Welsh medium or bilingual secondary school or teaching Welsh in any maintained secondary setting in Wales. The school must submit the claim form via e-mail to the Welsh Government, on behalf of the claimant.

2.14 **Important:** Eligible persons should be provided with the Welsh Government mailbox address by their ITE provider. Eligible persons will need to request a vendor details form from this mailbox. Electronic versions of claim forms will then be issued to eligible persons by the Welsh Government. Eligible persons must keep their forms in order to claim both parts of the training grant.

Method of making payments

2.15 Eligible persons will receive the training grant from the Welsh Government. ITE providers must issue the Welsh Government mailbox address to eligible persons, for the vendor details form and claim forms to be requested.

2.16 The first claim form (for completion on award of QTS) must be signed by an authorised signatory from the ITE provider and the second claim form (for completion on successful completion of induction period) must be signed by the appropriate school.

2.17 All completed forms should be submitted securely to the Welsh Government.

Recovery of grants paid

2.18 The Welsh Ministers have powers to recover grants paid, in whole or in part. They have discretion about whether to exercise those powers and will consider all cases on their merits.

2.19 Cases where these powers might be exercised by the Welsh Ministers will be where:-

- (a) the recipient has provided in, or in connection with, his or her application for a grant, information which is false or materially misleading; or
- (b) there is firm evidence that the recipient had never intended to complete the course or, having completed it, to enter teaching.
