

WSLC – June 2016 – Summary of Action Points

1	GJ to write around to invite suggestions for a land use planning rep for the WASP group	Incomplete – GJ will speak to John Morris to take this forward.
2	SL to query the gypsy traveller needs assessment guidance with WG colleagues	The Policy team that issued the guidance will be inviting feedback in the autumn on the guidance with a view to updating it in 2018.
3	GJ to circulate list of CAG reps with a view to ensuring there is appropriate representation from local authorities and that the NLPG custodian is included. CAG reps to formally report back to WSLC.	Incomplete – GJ will do this
4	AS to take back the suggestion WG should act as observers on the WLGA Indicators T&F Group	Complete. AS suggested an alternative approach. Welsh Government and others engaged in the emerging views of the group.
5	SEAL to follow up suggestions for potential SAIL analysis SEAL to contact LH with regards to potentially piloting SAIL appliances in Gwynedd.	
6	Members to let WG know which cubes / datasets should be prioritised for publication as OData. AA to look into commissioning some joint training on Power BI in Wales.	AA: It was more of a suggestion that WSLC could discuss training in the future. I'm not doing this at present.
7	GJ to consider potential for publishing data for National Indicators at different geographies	Ongoing
8	JT to contact GJ in relation to the Public Sector research network	
9	DT to be invited to future WSLC meetings	Added to WSLC membership list
10	JE to present on her work on labour force projections at a future WSLC meeting.	On agenda 13/10/16
11	Members to please let SL know: 1. what further analysis would be useful 2. preferred timing for a new WIMD 3. priorities for data to be added to the interactive mapping tool 4. what you use WIMD for	Issuing short survey to capture views use of WIMD and future timing shortly
12	Secretariat to confirm next meeting date with Members	Completed
