

Welsh Statistical Liaison Committee, Summary of Action Points of meeting held on 5 October 2017, Cathays Park, Cardiff

No.		Status
1.	JM to speak to Andrew to Stephens about National Survey questions and get feedback from National Survey team	We have highlighted the need to speak to the National Survey team about the reliance of some questions in performance or benchmarking activity. Where necessary contact is being made
2.	JM to run a desk exercise on activity taking place across authorities on tourism analysis	Update given in Data Unit monthly update
3.	SL to feed back to Rob Lewis on conversation about STEAM	
4.	JM to take concerns with not enough communication with Local Authorities back to Data Unit	Issue raised with the group
5.	Give DT a list of attendees so he can circulate Objective Connect link	Completed
6.	GJ to circulate links to the various parts of the Well-being of Wales report and include request for feedback on Well-being of Wales report in his upcoming blog	Completed
7.	GB to circulate report on availability of data sets for HSAR and seek feedback.	Completed
8.	NT to circulate copies of the first Census Test reminder letter, and the Behavioural Insight Team (BIT) reminder letter, so members can see the different styles	Completed 301017
9.	NT and SL look into issue around census question on qualifications and apprenticeships	NT: We are still doing work to determine the appropriate response options for the qualifications question. We will soon be conducting a survey (which members of the WSLC will be welcome to respond to, Tracy Paul-Sharp from the ONS Census Questionnaire Design Team has been in touch with Rachel Lloyd from the Welsh Government about this) The aim of the survey is to further understand the user need for levels of qualifications data and we have included a question on apprenticeships. Provided we get responses, we should have a better understanding of the need for this information
10.	Members to feedback any comments on the latest Public Health Outcomes Framework (PHOF) to Rhys Powell, Public Health Wales, NHS Wales
