

Welsh Statistical Liaison Committee PCYC / WSLC (2017 06) 02

No.	WSLC 16 February 2017 - Summary of action points	Status
1.	GJ to ask ONS if they could do a note on access to BRES estimates or organise a tele-conference to allow discussion.	Completed 26/4/17
2.	GJ to write note on Stats Wales training by mid-March.	Verbal update at meeting
3.	GJ to follow up with RG for an update on his action points from the October 2016 meeting.	Contacted – currently no update
4.	SL to ensure data available on fuel poverty is clearer on the WG Stats and Research website.	Working to prepare clearer links on fuel poverty
5.	All to contact stats.housingconditions@wales.gsi.gov.uk for further information about Housing Conditions Evidence programme.	-
6.	LR to share results of the Rural Household survey in Carmarthenshire.	Completed
7.	GJ to let people know if/when Digital Economy Bill has been passed.	Agenda 8/6/17
8.	AA to check with ONS about where they are with Ward boundaries.	ONS response: the small area population estimates of which ward-level data is a part of are due to be published at the end of October on the latest boundaries. Sometime in the future the population estimates team may consider publishing a back-series on the new boundaries.
9.	GJ to ask Alan Jackson to update the group and the availability of ward level population estimates in the future.	Verbal update at meeting
10.	GJ to pass on comments regarding conflicting feedback on Well-being Assessments.	Completed

Welsh Statistical Liaison Committee PCYC / WSLC (2017 06) 02

11.	All to provide AA and SO/IH with feedback on how they can and are using these tools.	-
12.	All to contact GJ if interested in piloting the SAIL data appliance.	-
13.	GM to feed back from Powys census test at a later WSLC meeting.	Agenda 8/6/17
14.	LR to send example of how gender identity is captured in local surveys.	Completed
15.	SL to advise Secretariat on arrangements for next meeting.	Completed
