

## Rural Enterprise Dwelling Monitoring Process Returns for April 2011 – March 2012

### Key

- ≠ Shaded rows indicate that local authority has provided data or indicated a nil response (no relevant applications)
- ≠ Blank rows indicate no return submitted by planning authority
- ≠ Columns 4&5 show the number of applications falling within the Second or further dwelling category that were granted or refused.

Local Planning Authorities	Planning Permission Granted	Planning Permission Refused	Second or further dwelling on established farm		TAN 6 Occupancy Condition Applied	Applications to remove occupancy conditions		
			Granted	Refused		Granted	Refused
