Key

- Columns 4 & 5 show the number of rural enterprise dwelling applications granted or refused (column 1&2) that also fall within the second or further dwelling on a farm category defined in TAN 6 sec. 4.5.
- Columns 7 & 8 show the number of applications received by local planning authorities to remove occupancy conditions attached to an existing dwelling in the countryside. These are separate applications to those listed in columns 1 & 2.
- Column 11 identifies local planning authorities that have submitted a nil response i.e. there are no relevant applications for monitoring purposes, and also local planning authorities that have not submitted a response.

Planning applications granted and refused for One Planet Development for April 2014 – March 2015
