

## **Policy Directions in relation to Wales**

To have regard to principles of the Well being of Future Generations (Wales) Act 2015 which aims to improve the social, economic, environmental and cultural well-being of Wales and encourages public bodies to think more about the long term, work better with people and communities and each other, look to prevent problems and take a more joined –up approach. There are seven well-being goals including, ‘A Wales of vibrant culture and thriving Welsh Language’ and five ways of working – long-term, prevention, integration, collaboration and involvement.

In deciding to whom it distributes money, for what purpose, and under what conditions, the Trustees of the National Heritage Memorial Fund shall take into account the following matters:-

1. Encourage the conservation, preservation, presentation, promotion and interpretation of all aspects of the natural, cultural and intangible heritage of Wales for future generations.
2. Have regard to the interests of Wales as a whole and the interests of different parts of Wales, taking account of the diverse demographic and deprivation patterns in the different parts of Wales.

To operate in line with the Fund’s agreed Welsh Language Scheme, and to monitor its implementation according to the agreed procedures.
4. Work strategically with others to maximise the impact of National Lottery funding for people and heritage, encouraging national, regional and local partnerships to do so.
