Provisions Necessary or Expedient before Stopping Up

- (a) the developer has provided, to the reasonable satisfaction of the Council, plans showing how the lengths of highway are to be stopped up;
- (b) the development described in Schedule 2 to this Order has commenced and the developer has informed the Council in writing of the necessity to stop up the lengths of highway to allow the development to proceed; and
- (c) the Council have confirmed in writing to the developer that paragraphs (a) and (b) are satisfied.

Statutory Undertakers and Providers

4. Where immediately before the lengths of highway are stopped up, there is under, in, on, over, along or across the highway any apparatus of statutory undertakers or public communications providers then (subject to section 261(4) of the 1990 Act) the undertakers or providers continue to have the same rights in respect of the apparatus as they had before the stopping up.

Duration of this Order

If the development described in Schedule 2 to this Order has not begun within the relevant period specified in Part 3 of the 1990 Act as being the duration of the planning permission, or the permission is revoked before the end of that period, this Order ceases to have effect upon the cessation of the planning permission.
