Coming into force

24 April 2009

The Welsh Ministers in exercise of the powers conferred by sections 60, 66(4) and (5) and 203(9) and (10) and 204(1) of the National Health Service (Wales) Act 2006⁽¹⁾ after consulting in accordance with section 60(4) of that Act both with the bodies appearing to them to be representative of persons to whose remuneration these directions relate and with such other persons as they think appropriate, gives the directions set out in this Statement of Financial Entitlements (“SFE”).

These directions apply to Local Health Boards in Wales and come into force on 24 April 2009.

Local Health Boards will apply the SFE set out in the Schedule to these directions in relation to payments to be made by Local Health Boards to a contractor under a general dental services contract entered into under section 59 of the National Health Service (Wales) Act 2006.

The directions made on 31 March 2006 relating to the payments under general dental services contracts, and the directions amending those directions are revoked. However, those directions will continue to be the relevant directions for payments in respect of services provided before 1 April 2009.

2. SDR Determination III – Seniority Payments

1. Introduction

1.1 This SFE relates to the payments to be made by LHBs to a contractor under a GDS Contract.

1.2 This SFE is divided into sections, Parts, paragraphs, sub-paragraphs and heads. A Glossary of some of the words and expressions used in this SFE is provided in Section 12. Words and expressions defined in that Section are often highlighted by initial capital letters.

1.3 The directions set out in this SFE are subordinate legislation for the purposes of section 23 of the Interpretation Act 1978, and accordingly, in this SFE, unless the context otherwise requires—

- (a) words or expressions used both here and in the 2006 Act bear the meaning they bear in the 2006 Act;
- (b) references to legislation (i.e. Acts and subordinate legislation) are to that legislation as amended, extended or applied, from time to time;
- (c) words in the singular include the plural, and *vice versa*.

1.4 At various points in this SFE, reference is made to a dental practitioner being “employed or engaged” by a contractor. In this SFE, “employed or engaged”, in relation to a dental practitioner’s relationship with a contractor includes, in addition to dental practitioners who have a contract of service or for services with the contractor—

- (a) a dental practitioner who is the contractor;
- (b) a dental practitioner who is a partner in a contractor that is a partnership; and
- (c) a dental practitioner who is a director of a dental corporation.

1.5 Although not part of the directions given in this SFE, included in Annex 1, for ease of reference, is a determination made under regulation 13(17) of the Performers Lists Regulations, which is the Performer Lists (Suspended Dentists’ NHS Earnings) (Wales) Determination 2006. The determination relates to all NHS dental practitioners providing primary dental services, whether under a PDS agreement, a GDS contract or LHB led arrangements – and deals with possible entitlement to payments from an LHB, and the amount of such payments, during a dental practitioner’s suspension from an LHB’s Dental Performers List.

1.6 This SFE may be revised at any time in certain circumstances with retrospective effect **(1)**. For the most up-to-date information, contact Community, Primary Care and Health Services Policy Directorate, Welsh Assembly Government, Cathays Park, Cardiff, CF10 3NQ or visit the following web-site: www.wales.gov.uk.

PART 1
ANNUAL CONTRACT VALUES

2. Negotiated Annual Contract Values

New or First NACVs

2.1 With effect from 1st April 2009, contracts that were considered to have a Calculated Annual Contract Value (CACV) will now be deemed to have a Negotiated Annual Contract Value (NACV).

2.2 Payments under a GDS contract in respect of the agreed number of units of dental activity and orthodontic activity specified in the contract are to be based on a NACV.

2.3 The LHB and the contractor must agree, in respect of the first financial year during which a GDS contract has effect, a NACV for the GDS contract, based on the number of units of dental activity and, where applicable, orthodontic activity that the contractor is required to provide under its GDS contract, including where a contractor transfers from providing services under a PDS agreement to providing services under a GDS contract pursuant to regulation 21 of the PDS Agreements Regulations.

2.4 If the contractor's GDS contract takes effect for payment purposes after the start of the financial year, the first NACV for that contract (which will relate to the rest of that financial year) shall be an annualised amount for calculation purposes, even though only a proportion of that annualised amount will in fact be payable in the first part year.

2.5 Each GDS contract must, by virtue of regulation 16 of the GDS Contracts Regulations, specify the services to be provided by the contractor under the GDS Contract. For the most part, the arrangements for remuneration in respect of those services are to be determined locally.

New or first NACVs where a GDS contract is revised

2.6 If the number of units of dental activity or, where applicable, orthodontic activity that a contractor is required to provide under its GDS contract is revised, a new Negotiated Annual Contract Value ("NACV") will have to be established for that contractor. If the variation takes effect during the financial year, the new or revised NACV for that contract (which will relate to the rest of that financial year) shall be an annualised amount for calculation purposes, even though only a proportion of that annualised amount will in fact be payable for the first part year.

Annual uprating of NACVs

2.7. If—

- (a) at the start of a financial year, a contractor was in receipt of Monthly Annual Contract Value payments ("ACVPs") in respect of the last month of the previous financial year which were based on a NACV; and

- (b) the number of units of both dental activity and, where appropriate, orthodontic activity that the contractor is required to provide in the new financial year is unchanged from the previous financial year,

the amount of its NACV for the new financial year is to be updated by a percentage amount to be determined by Welsh Ministers.

Annual contract value adjustment

2.8 The percentage to be determined by the Welsh Ministers is;

2009-10	0.21%
---------	-------

2.9 It is intended that at the start of each financial year this SFE will be amended so as to include that percentage increase. In practice, these adjustments will be factored into Monthly ACVPs by the National Health Service Business Services Authority (“NHS BSA”) on a national basis. The LHB must not itself, therefore, adjust the amounts that it has loaded into the NHS BSA’s computerised payment systems by these adjustments.

3. Payment of Monthly Annual Contract Value Payments

3.1 At any point, there should be in respect of each GDS contract a NACV, determined in accordance with Section 2, or for GDS contracts already in place prior to this SFE coming into effect, a CACV or NACV determined in accordance with the SFE that was operative at the time that the contract value was negotiated between the parties to the contract. This, in all cases, is to be an annual (or annualised) amount, and is to provide the basis for the calculation of the Monthly ACVPs payable under the contract in respect of the units of dental activity and, where applicable, orthodontic activity that the contractor is required to provide. This NACV or CACV is known as the Actual Annual Contract Value (AACV) of that contract at that point.

Initial value of Monthly ACVPs

3.2 The first initial value of a contractor’s Monthly ACVPs is to be determined for the date on which its GDS contract takes effect for payment purposes. Once the contractor’s AACV has been established, that amount is to be divided by twelve, and subject to paragraph 3.3, the result is the first initial value of the contractor’s Monthly ACVPs.

3.3 If the contractor’s GDS contract took effect for payment purposes other than on the first day of a month, the initial value of its Monthly ACVPs in respect of the first part-month of its contract is to be produced by dividing–

- (a) the number of days during the month for which the agreement has effect for payment purposes; by
- (b) the total number of days in that month.

3.4 That initial value (expressed as a monthly value, in cases where a contract took effect for payment purposes other than on the first day of the month) will remain the basis for the calculation of the net value of the contractor’s Monthly ACVPs, until that initial value is next revised.

Revision of the initial value of Monthly ACVPs

3.5 The initial value of a contractor's Monthly ACVPs will have to be revised where, for any reason, its AACV is revised (for example, to take account of annual uprating or where the contractor's specified number of units of dental or orthodontic activity is changed).

3.6 If the contractor's AACV is revised for the start of a month, the new initial value of its Monthly ACVPs (until its AACV is next revised again) is its new AACV divided by twelve. If its AACV changes during a month, the initial value of its Monthly ACVPs (until its AACV is next revised again)–

- (a) for the month after the month during which its AACV changed, is its AACV divided by 12; or
- (b) for the month during which its AACV changed, is the aggregate of the following amounts–
 - (i) the amount produced by dividing the number of days during the month before the change by the total number of days in that month, and multiplying that fraction by the old initial value of the contractor's Monthly ACVPs, plus
 - (ii) the amount produced by dividing the number of days during the month for which the contractor had a new AACV by the total number of days in that month, and multiplying that fraction by the new initial value of the contractor's Monthly ACVPs.

3.7 Once the initial value of a contractor's Monthly ACVPs has been established for any particular month, the LHB must go on to establish the net value of the contractor's Monthly ACVPs, which is the amount actually to be paid.

Deductions in respect of NHS charges

3.8 Patients in receipt of relevant dental treatment have to pay charges in respect of that treatment under the NHS Charges Regulations, unless they are exempt from paying the charge by virtue of either section 126 of the 2006 Act or the NHS Charges Regulations. Charges are recoverable under those Regulations in respect of specified types of treatment.

3.9 It is the contractor who collects the NHS charges from those patients. Furthermore, in accordance with its contract condition set by virtue of paragraph 38 of Schedule 3 to the GDS Contracts Regulations, the contractor is required to make returns of information to the LHB within specified time periods about the courses of NHS treatment it provides, and in those returns it has to provide information about whether an NHS charge was payable in respect of that treatment.

3.10 The LHB must set the particular date each month by which these paragraph 38 returns of information will be processed. This date is known as the 'scheduling date'.

3.11 Using the paragraph 38 returns which have been submitted by the contractor since the scheduling date in the previous month, the LHB will make a determination of the amount to be deducted that month in respect of NHS charges. These NHS charges should have been collected by the contractor in respect of treatment that has counted or will count towards the number of units of dental activity or, where applicable, orthodontic activity that the contractor is to provide under its GDS contract.

3.12 The Monthly ACVP value produced after that deduction has been made is, subject to paragraph 3.13, the gross value of the contractor's Monthly ACVPs for that month (i.e. the value before the deduction of employee's superannuation contributions).

Deductions in respect of overpayments etc.

3.13 Deductions may need to be made to the amount determined in accordance with paragraph 3.11 under the administrative provisions in Section 11 of this SFE, to take account of matters such as overpayments. In accounting terms, these deductions may alter the gross value of the Monthly ACVP in question or the gross value of another payment, but either way they will alter the net value of the Monthly ACVP in question.

Deductions in respect of LDC levies

3.14 The LHB may have recognised a LDC for its area, pursuant to section 69 of the 2006 Act. Where it has done so, that committee will represent the Dentist Performers who are employed or engaged by the contractor. In these circumstances, the LHB is entitled, by virtue of section 69(9) (b) of the 2006 Act to deduct an amount, commonly known as the levy, from the payments made to the contractor under its GDS contract in respect of the committee's expenses⁽¹⁾. That deduction is to be made so as to reduce the net value of the contractor's Monthly ACVPs.

Deductions in respect of employee's superannuation contributions

3.15 The Dentist Performers who are employed or engaged by the contractor are likely to be members of the NHS Pension Scheme (amended April 2008)⁽²⁾ or the New NHS Pension Scheme⁽³⁾, and their Employing Authority for the purposes of that Scheme will, for present purposes, be the LHB (they may have employment in another context which also entitles them to an NHS Pension Scheme pension, but the pensionable earnings derived from that employment should be superannuated elsewhere). Unless they are Vocational Trainees, the Dentist Performers' Pensionable Earnings to be derived from that contractor's GDS contract in each financial year will be limited to a specified percentage of the value of that contract for that financial year, net of any parental leave payments, sickness leave payments, vocational trainee salary and national insurance reimbursement payments, non-domestic rates reimbursement payments or Monthly Seniority Payments payable under that agreement⁽⁴⁾. Vocational Trainee's salaries (net of any bonus, expenses or overtime payments) are fully pensionable.

3.16 Each LHB will need to make all the deductions in respect of employee's superannuation contributions (including Money Purchase Additional Voluntary Contributions (MPAVCs)) that are payable in respect of the Dentist Performers' Pensionable Earnings that derive from each GDS contract that it holds.

(1) In practice, the levy will then be remitted to the LDC by the NHS BSA.

(2) S.I 1995/300 as amended.

(3) S.I 2008/653.

(4) It is anticipated that the percentage that the Secretary of State will determine, in accordance with paragraph 3(2B) (b) of Schedule 2 to the NHS Pension Scheme Regulations 1995 or regulation 3.A.7(4) of the NHS Pension Scheme Regulations 2008, as the percentage for the financial year 2009/10 will be 43.9%. Accordingly, 56.1% of the value of the agreement, less the specified deductions is to be spent on practice expenses.

3.17 Accordingly, it must deduct those contributions from the contractor's Monthly ACVPs (or, in the case of Vocational Trainee's employee's superannuation contributions, from their salary reimbursement payments). The process of calculating and making all these deductions is explained in Section 4. If it is an Employing Authority for any Dentist Performer employed or engaged by the contractor, it may also deduct from the contractor's Monthly ACVPs any employee's superannuation contributions (including Money Purchase Additional Voluntary Contributions (MPAVCs)) that the Dentist Performer owes but which have not been superannuated elsewhere, provided that the LHB has taken reasonable steps to satisfy itself that no other arrangements have been made to pay those contributions.

Net value of the contractor's first Monthly ACVPs

3.18 The gross value of a contractor's Monthly ACVPs, minus any necessary deductions as mentioned in paragraphs 3.8 to 3.17, and minus any voluntary deductions (such as contributions to the British Dental Guild⁽¹⁾), which the contractor has asked to be made, is the net value of the contractor's first Monthly ACVPs, which is the amount actually to be paid. This amount becomes payable on the first working day of the month after the month to which the Monthly ACVP relates.

Conditions attached to Monthly ACVPs

3.19 Monthly ACVPs, or any part of such payments, are only payable if the contractor satisfies the following conditions—

- (a) the contractor must make available any information which the LHB does not have but needs (including the returns required by virtue of paragraph 38 of Schedule 3 to the GDS Contracts Regulations), and which the contractor either has or could reasonably be expected to obtain, in order to calculate the contractor's Monthly ACVPs;
- (b) the contractor must make available to the LHB a reasonable estimate of the net monthly Pensionable Earnings (i.e. net of any Pensionable Earnings that are attributable to any Monthly Seniority Payment) of each Dentist Performer who is employed or engaged by it, and must notify the LHB of any appropriate changes to that estimate; and
- (c) all information supplied pursuant to or in accordance with this paragraph must be accurate.

3.20 If the contractor breaches any condition of its Monthly ACVPs that is set out in this SFE (including the conditions that are set out in paragraph 3.19), the LHB may, in appropriate circumstances, withhold payment of all or any part of a Monthly ACVP that is otherwise payable.

Monthly Payment Schedule

3.21 On the due date for Monthly ACVPs, or as soon as reasonably practicable thereafter, the LHB must send to the contractor a Monthly Payment Schedule which will include (but not be limited to)—

- (a) the contractor's AACV;

(1) British Dental Guild contributions will be apportioned and remitted by the NHS BSA, as required.

- (b) the amount of the initial value of the contractor's Monthly ACVPs, prior to any permitted deductions;
- (c) the amount of permitted deductions, which will be specified in two parts—
 - (i) the amount of the NHS charges that the LHB has determined, in accordance with paragraph 3.11, that the contractor should have collected in respect of treatment that has counted or will count towards the number of units of dental activity or, where applicable, orthodontic activity that the contractor is to provide under its GDS contract; and
 - (ii) the amount of any other deductions that need to be made to the Monthly ACVPs under the contract or pursuant to this SFE (for example, the deductions mentioned in paragraphs 3.13 and 3.17), together with the reason for any such deduction;
- (d) the amount of the Monthly ACVP following the permitted deductions;
- (e) any other payments payable to the contractor pursuant to these Directions on that due date, including where relevant an indication that a particular payment is made in respect of a named Dentist Performer;
- (f) the estimated net monthly Pensionable Earnings of each Dentist Performer who performs services under the contract, i.e. net of any Pensionable Earnings that are attributable to any Monthly Seniority Payment;
- (g) the number of units of dental activity or, where applicable, orthodontic activity the contractor—
 - (i) is contracted to provide during the relevant financial year,
 - (ii) has so far provided during the financial year, based on the data submitted to the LHB by the contractor, in accordance with its contract condition set by virtue of paragraph 38 of Schedule 3 to the GDS Contracts Regulations, and
 - (iii) has left to provide during the financial year; and
- (h) the number of courses of treatment involving sedation services or domiciliary services in respect of which Monthly ADSSPs have been made under section 5.

3.22 In practice, in accordance with entry 1(c) in column 2 of the Schedule to the Functions Regulations, the Monthly Payment Schedule will be sent to the contractor by the NHS BSA, who will also need to send a copy to the LHB (entry 1(a) of column 3 of the Schedule to the Functions Regulations).

Annual Reconciliation Report

3.23 The LHB must, by 30 June in each financial year send the contractor an Annual Reconciliation Report, whether as part of the annual report and review required by paragraph 39 of Schedule 3 to the GDS Contracts Regulations or otherwise, which will include (but not be limited to), in respect of the previous financial year—

- (a) the total value of the contractor's GDS contract, net of—
 - (i) any payments in respect of parental or sickness leave or any Monthly Seniority Payments (these are payments that are pensionable but not included in the calculation of the GDS contract's Pensionable Earnings Ceiling), and
 - (ii) any vocational trainee salary payments, vocational trainee national insurance reimbursement payments, or non-domestic rates reimbursement payments

- (these are payments that are neither pensionable nor included in the calculation of the GDS contract's Pensionable Earnings Ceiling);
- (b) the total of the initial values of the contractor's Monthly ACVPs;
 - (c) the total value of the deductions made to Monthly ACVPs paid to the contractor which will be specified in two parts—
 - (i) the total amount of the NHS charges deducted, and
 - (ii) the total amount of any other deductions made under the contract or pursuant to this SFE;
 - (d) the estimated Pensionable Earnings of each Dentist Performer who performed services under its GDS contract, net of any Pensionable Earnings that are attributable to any Monthly Seniority Payment paid in respect of the Dentist Performer;
 - (e) the number of units of dental activity or orthodontic activity the contractor—
 - (i) was contracted to provide,
 - (ii) actually provided, based on the data submitted to the LHB by the contractor, in accordance with its contract condition set by virtue of paragraph 38 of Schedule 3 to the GDS Contracts Regulations, and
 - (iii) where relevant, the number of units of dental activity or orthodontic activity that the contractor was contracted to provide but did not provide; and
 - (f) the number of courses of treatment involving sedation services or domiciliary services in respect of which Monthly ADSSPs have been made under section 5.

3.24 The Annual Reconciliation Report will draw on an annual reconciliation statement about the payments under the GDS contract sent by the NHS BSA to the LHB pursuant to entry 1(b) in column 3 of the Functions Regulations.

4. Superannuation contributions

Employer's superannuation contributions of Dentist Performers

4.1 Under the NHS Pension Scheme Regulations(1), and the new NHS Pension Scheme Regulations(2), LHBs will continue to be liable for paying the employer's superannuation contributions in respect of the Pensionable Earnings of dental practitioners who are employed or engaged by a contractor, who are members of the Scheme and who are—

- (a) type 1 dental practitioners (for these purposes, Dentist Performers, other than Vocational Trainees); or
- (b) type 2 dental practitioners (for these purposes, Vocational Trainees),

as their Employing Authority.

(1) S.I. 1995/300
(2) S.I. 2008/653

4.2 In practice, by virtue of entry 26(a) in column 2 of the Schedule to the Functions Regulations, one part of the NHS BSA (the part that is acting, in effect, as agent of the LHB), will be responsible for forwarding to another part of the NHS BSA (the part that acts as the Pension Scheme administrator) the employer's superannuation contributions that the LHB owes in respect of these type 1 and type 2 dental practitioners. The Welsh Ministers will–

- (a) make available to the part of the NHS BSA that is acting, in effect, as agent of LHBs in this matter the resources that it needs for forwarding these contributions;
- (b) deduct from its allocations to LHBs amounts equal to the LHBs' liabilities that have been thus discharged.

Employee's superannuation contributions and Money Purchase Additional Voluntary Contributions of Dentist Performers

4.3 As regards the employee superannuation contributions, and any MPAVCs, the following arrangements will apply–

- (a) in the case of Vocational Trainees, although the contractor that employs him or her is legally responsible for ensuring that his or her employee superannuation contributions are deducted from his or her salary, in practice, these contributions will be deducted by the NHS BSA (i.e. the part of it acting, in effect, as the agent of the LHB) from the reimbursement of salary payment under paragraph 7.5(b). It will then remit these employee superannuation contributions to the part of the NHS BSA that acts as the Pension Scheme administrator;
- (b) in the case of type 1 dental practitioner members of the Scheme–
 - (i) their employee superannuation contributions in respect of their Pensionable Earnings will have to be deducted by the LHB from the contractor's Monthly ACVPs; and
 - (ii) any MPAVCs will have to be deducted by the LHB from the contractor's Monthly ACVPs.

4.4 In practice, the making of the deductions referred to in paragraph 4.3(b) will generally be undertaken by the NHS BSA, which has been given the power to make these deductions by virtue of entries 26(a) and 28(a) of the Schedule to the Functions Regulations (although the LHB remains ultimately responsible for the calculation of the deductions and ensuring that the deductions that are made are correct). These deductions are to be made in two stages.

Monthly deductions in respect of employee's superannuation contributions of Dentist Performers who are not Vocational Trainees

4.5 First, as is stated in paragraphs 3.15 to 3.17 above, deductions in respect of type 1 dental practitioners will need to be made each month from the contractor's Monthly ACVPs. These deductions are to be based on a reasonable estimate of the monthly proportion of the annual liability of each type 1 dental practitioner employed or engaged by the contractor in respect of–

- (a) the employee's superannuation contributions payable to the part of the NHS BSA that acts as the Pension Scheme administrator; and
- (b) any MPAVCs payable to an MPAVCs Provider.

4.6 The LHB must take all reasonable steps to agree the amount of the deductions with the contractor and must, where requested to do so by the contractor, duly justify the amount of the monthly deductions. It must keep those amounts under review, to take account of significant changes to the contractor's income.

4.7 An amount equal to the monthly amount that the NHS BSA, acting in effect as the agent of LHBs in this matter, deducts must be remitted to the part of the NHS BSA that acts as the Pension Scheme administrator, and to any relevant MPAVCs Provider, no later than—

- (a) in the case of employee superannuation contributions, the nineteenth day of the month after the month to which the related earnings relate; or
- (b) in the case of MPAVCs, the seventh day after the payment from which they were deducted was paid.

End-year adjustments

4.8 After the end of any financial year, the LHB will determine the value of the contractor's GDS contract, net of—

- (a) any payments in respect of parental or sickness leave or any Monthly Seniority Payments (these are payments that are pensionable but not included in the calculation of the GDS contract's Pensionable Earnings Ceiling); and
- (b) any vocational trainee salary payments, reimbursement of vocational trainee national insurance reimbursement payments, or non-domestic rates reimbursement payments (these are payments that are neither pensionable nor included in the calculation of the GDS contract's Pensionable Earnings Ceiling).

4.9 This amount will be included in the Annual Reconciliation Report. The Secretary of State will have established, pursuant to the NHS Pension Scheme Regulations, and the New NHS Pension Scheme Regulations, what percentage of that net amount can be considered as Pensionable Earnings under that contract. By applying that percentage to that net amount, the LHB, and the contractor, will be able to determine the Pensionable Earnings Ceiling for that contract for that financial year.

4.10 If any Dentist Performer who is employed or engaged by a contractor is a member of the NHS Pension Scheme, it is a condition of that contractor's Monthly ACVPs that, by the date specified by the Secretary of State in accordance with paragraph 5A(1) of Schedule 2 to the NHS Pension Scheme Regulations⁽¹⁾, and regulation 3.A.12(1) of the New NHS Pension Scheme Regulations, the contractor sends to the LHB a standard return (set nationally⁽²⁾ and available electronically) specifying, for the financial year to which the return relates, the Pensionable Earnings derived from its GDS contract of each Dentist Performer that it employed or engaged during that financial year. Those totals in respect of each individual performer must not, taken together, amount to more, but may amount to less, than the contractor's Pensionable Earnings Ceiling for that financial year.

4.11 The functions of—

-
- (1) It is anticipated that this date will be one month from the date of receiving the Annual Reconciliation Report.
 - (2) This return is in a format determined by the Secretary of State in accordance with paragraph 5A(1) of Schedule 2 to the NHS Pension Scheme Regulations.

- (a) receiving these returns;
- (b) extending the deadline for the reception of these returns;
- (c) accepting replacement returns in appropriate circumstances;
- (d) varying the amounts specified in the returns in appropriate circumstances; and
- (e) determining the validity of the returns;

are all functions that may now be performed by the NHS BSA, acting in effect as agent of the LHB (entry 26 in columns 2 and 3 of the Schedule to the Functions Regulations).

4.12 Once the Pensionable Earnings in respect of that financial year of each Dentist Performer employed or engaged by a contractor have been notified to the LHB, the LHB (or if the adjustments can be made by varying GDS contract payments, the NHS BSA, effectively acting on its behalf) must—

- (a) if the deductions of employee's superannuation contributions (including MPAVCs) from the contractor's Monthly ACVPs during that financial year in respect of those earnings—
 - (i) did not cover the cost of all the employee's superannuation contributions payable by the contractor's Dentist Performers in respect of those earnings—
 - (aa) deduct the amount outstanding from any Monthly ACVPSs payable, or from a series of Monthly ACVPs payable, to the contractor, or
 - (bb) obtain payment (where no such deduction can be made) from the contractor of the amount outstanding, and it is a condition of all of the payments made pursuant to this SFE that the contractor must pay to the LHB the amount outstanding, or
 - (ii) were in excess of the amount payable in respect of employee's superannuation contributions, repay the excess amount to the contractor promptly (unless in the case of an excess amount in respect of MPAVCs, the Dentist Performer elects for that amount to be a further contribution and is entitled to so elect); and
- (b) forward any outstanding employee's superannuation contributions due in respect of those earnings to the part of the NHS BSA that acts as the Pension Scheme administrator or the relevant MPAVCs Provider (having regard to the payments it has already made on account in respect of those Dentist Performers for that financial year).

PART 2

PAYMENTS FOR SPECIFIC PURPOSES

5. Domiciliary services and sedation services

Agreeing and revising Annual Domiciliary and Sedation Services Payments

5.1 Where the contractor is to provide sedation services or domiciliary services under its GDS contract for or during part of a financial year, the contractor and the LHB must agree an annual (or annualised for part years) number of courses of treatment involving sedations or domiciliary visits for that financial year and an annual (or annualised for part years) sum to be paid in respect of those courses of treatment. This amount is known as the Annual Domiciliary and Sedation Services Payment (ADSSP) and is to be paid in monthly instalments.

5.2 If that number of courses of treatment involving sedations or domiciliary visits is revised, a new ADSSP will have to be established for that contractor. If that variation takes effect during the year, the revised ADSSP for that contract shall be an annual (or annualised for the part year) amount for calculation purposes, even though only a proportion of that annual amount will in fact be payable

Annual uprating of ADSSPs

5.3 If –

- (a) at the start of a financial year, a contractor was in receipt of Monthly ADSSPs in respect of the last month of the previous financial year; and
- (b) the number of courses of treatment involving sedations or domiciliary visits that the contractor is required to provide is unchanged,

the amount of its ADSSP is to be uprated by a percentage amount to be determined by the Welsh Ministers. It is intended that at the start of each financial year this SFE will be amended so as to include that percentage increase.

Initial value of Monthly ADSSPs

5.4 Once the contractor's first ADSSP has been established, that amount is to be divided by twelve, and subject to paragraphs 5.5 to 5.11, the result is the first gross value of the contractor's Monthly ADSSPs.

5.5 If the contractor's contractual arrangement to provide a specified number of courses of treatment involving sedations or domiciliary visits took effect other than on the first day of a month, the gross value of its Monthly ADSSPs in respect of the first part-month of this contractual arrangement is to be produced by dividing–

- (a) the number of days during the month for which the contractual arrangements to provide domiciliary and sedation services have effect; by
- (b) the total number of days in that month.

5.6 That gross value (expressed as a monthly value, in cases where the relevant contractual arrangement took effect other than on the first day of the month) will remain the basis for the calculation of the net value of the contractor's Monthly ADSSPs, until that initial value is next revised.

Revision of the initial value of Monthly ADSSPs

5.7 The gross value of a contractor's Monthly ADSSPs will have to be revised where, for any reason, its ADSSP is revised (for example, to take account of annual uprating or where the contractor's specified number of courses of treatment involving sedations or domiciliary visits is changed).

5.8 If the contractor's ADSSP is revised for the start of a month, the new gross value of its Monthly ADSSPs (until its ADSSP is next revised again) is its new ADSSP divided by twelve. If its ADSSP changes during a month, the new gross value of its Monthly ADSSPs (until its ADSSP is next revised again)–

- (a) for the month after the month during which its ADSSP changed, is its new ADSSP divided by 12; or
- (b) for the month during which its ADSSP changed, is the aggregate of the following amounts–
 - (i) the amount produced by dividing the number of days during the month before the change by the total number of days in that month, and multiplying that fraction by the old initial value of the contractor's Monthly ADSSPs, plus
 - (ii) the amount produced by dividing the number of days during the month for which the contractor had a new ADSSP by the total number of days in that month, and multiplying that fraction by the new initial value of the contractor's Monthly ADSSPs.

5.9 Once the gross value of a contractor's Monthly ADSSPs has been established for any particular month (subject to paragraph 5.11), the LHB must go on to establish the net value of the contractor's Monthly ADSSPs, which is the amount actually to be paid.

NHS charges and employee's superannuation contributions

5.10 The NHS charges in respect of the courses of treatment involving sedations or domiciliary visits should be deducted from the contractor's Monthly ACVPs. No deduction will therefore need be made in respect of those from the Monthly ADSSPs. Any employee's superannuation contributions attributable to the Monthly ADSSPs will be deducted from the Monthly AVCPs rather than the ADSSPs. As both Monthly ACVPs and ADSSPs are payable at the same time, this distinction will generally only have accounting rather than practical implications.

Deductions in respect of overpayments etc.

5.11 Deductions may need to be made from Monthly ADSSPs under the administrative provisions in Section 11 of this SFE, to take account of matters such as overpayments. In accounting terms, these deductions may alter the gross value of the Monthly ADSSP in question or the gross value of another payment, but either way it will alter the net value of the Monthly ADSSP in question.

Net value of the contractor's first Monthly ADSSPs

5.12 The gross value of a contractor's Monthly ADSSPs, minus any deductions as mentioned in paragraph 5.11, is the net value of the contractor's first Monthly ADSSPs, which is the amount actually to be paid. This amount becomes payable on the first working day of the month after the month to which the Monthly ADSSP relates.

Conditions attached to Monthly ADSSPs

5.13 Monthly ADSSPs, or any part of such payments, are only payable if the contractor satisfies the following conditions—

- (a) the contractor must make available any information which the LHB does not have but needs (including the returns required by virtue of paragraph 38 of Schedule 3 to the GDS Contracts Regulations), and which the contractor either has or could reasonably be expected to obtain, in order to calculate the contractor's Monthly ADSSPs;
- (b) all information supplied pursuant to or in accordance with this paragraph must be accurate.

5.14 If the contractor breaches any condition of its Monthly ADSSPs that is set out in this SFE (including the conditions that are set out in paragraph 5.13), the LHB may, in appropriate circumstances, withhold payment of any or any part of a Monthly ADSSP that is otherwise payable.

6. Seniority payments

6.1 Seniority payments are monthly payments to a contractor in respect of individual Dentist Performers who satisfy the eligibility criteria.

Eligibility criteria

6.2 A contractor is entitled to receive a seniority payment in respect of a Dentist Performer employed or engaged by it if the Dentist Performer—

- (a) reached the age of 55 years—
 - (i) before 1 January 2006, and was entitled to and in receipt of a seniority payment pursuant to Determination III of the SDR (set out in the Annex to this SFE) in respect of the last quarter of the financial year 2005 to 2006, or
 - (ii) between 1 January 2006 and 31 March 2006 inclusive, and would have been entitled to a seniority payment pursuant to Determination III of the SDR in respect of the last quarter of the financial year 2005 to 2006 had he or she reached the age of 55 years in the previous quarter of that financial year;
- (b) reached the age of 55 years before 1 April 2006, and—
 - (i) in the last quarter of the financial year 2005 to 2006, he or she was employed or engaged by a pilot scheme provider, and
 - (ii) would have been entitled to a seniority payment pursuant to Determination III of the SDR in respect of that quarter had he or she—
 - (aa) instead provided services under section 35 of the NHS Act 1977 in that quarter, and

- (bb) reached the age of 55 years before 1 January 2006 (whether or not he or she did in fact do so); or
- (c) reaches the age of 55 years on or after 1 April 2006 (although his or her eligibility is treated as starting in the month after the month during which his or her birthday falls), and–
 - (i) in the last quarter of the financial year 2005 to 2006, he or she provided services under section 35 of the 1977 Act or a pilot scheme agreement, and
 - (ii) would have been entitled to a seniority payment pursuant to Determination III of the SDR in respect of that quarter had he or she–
 - (aa) in the case of a person who provided services under a pilot scheme agreement in that quarter, provided services under section 35 of the 1977 Act in that quarter, and
 - (bb) reached the age of 55 years in the previous quarter of that financial year.

6.3 Additionally, a contractor is entitled to receive a seniority payment in respect of a Dentist Performer employed or engaged by it only if–

- (a) the person in respect of whom the payment is made remains included in a Dental Performers List;
- (b) the person in respect of whom the payment is made is not in receipt of a pension payment under the NHS pension scheme in any month in which the contractor claims a Monthly Seniority Payment in respect of him or her; and
- (c) the amount of the payment, together with the amount of any other Monthly Seniority Payment received by any other contractor or PDS Agreement Holder in respect of that Dentist Performer for the same month is less than £662.

Applications for a seniority payment

6.4 Where a Dentist Performer satisfies the eligibility criteria specified in paragraph 6.2(a) or (b), in order to obtain its first Monthly Seniority Payment in respect of that Dentist Performer, the contractor must notify the LHB in writing–

- (a) that the Dentist Performer is employed or engaged by the contractor; and
- (b) of any other Monthly Seniority Payments which any other contractor or PDS Agreement Holder is claiming in respect of that Dentist Performer for any month to which the contractor's claim relates.

6.5 Where a Dentist Performer satisfies the eligibility criteria specified in paragraph 6.2(c), in order to obtain its first Monthly Seniority Payment in respect of that Dentist Performer, the contractor must make an application to the LHB on a standard form (set nationally and available electronically), and that application must include–

- (a) details of how the Dentist Performer satisfies the eligibility set out in paragraph 6.2(c);
- (b) details of the Dentist Performer's estimated net monthly Pensionable Earnings (which should be the amount that features in respect of that Dentist Performer on the contractor's Monthly Payment Schedule); and

- (c) details of any other Monthly Seniority Payments which any other contractor or PDS Agreement Holder is claiming in respect of that Dentist Performer for any month to which the contractor's claim relates.

The percentage calculation and the maximum amount of Monthly Seniority Payments

6.6 The amount to which the contractor is entitled as a Monthly Seniority Payment in respect of a Dentist Performer that it employs or engages and in respect of whom the eligibility criteria are satisfied is 21.72% of the Dentist Performer's net monthly Pensionable Earnings under the contractor's GDS contract in the month to which the payment relates, but the maximum amount payable in respect of each Dentist Performer in any month is £662.

6.7 Where a Monthly Seniority Payment may be payable in respect of a particular Dentist Performer to more than one contractor or PDS Agreement Holder, but the totals payable under each contract or agreement, taken together, would (if there were no maximum amounts) exceed £662, the maximum amount payable under all the contracts or agreements under which Monthly Seniority Payments may be payable in respect of him or her is £662. The £662 must therefore be distributed proportionately between each GDS contract or PDS agreement.

6.8 So, if the Dentist Performer earns 60% of his or her net monthly Pensionable Earnings from a GDS contract, 30% from one PDS agreement and 10% from another PDS agreement, his or her Monthly Seniority Payment under the GDS contract would be £397, and under the two PDS agreements would be £199 and £66 respectively.

6.9 In practice, the apportionment will be made by the NHS BSA, as it is they who will have the necessary data about each of the relevant contracts or agreements.

Estimates of net monthly Pensionable Earnings

6.10 For the purposes of this Section, a Dentist Performer's net monthly Pensionable Earnings in respect of any month are one twelfth of his or her Pensionable Earnings for the financial year into which the month falls, having excluded from those earnings any Pensionable Earnings for that financial year which are attributable to a Monthly Seniority Payment.

6.11 This means that it will be impossible to know, until sometime after the end of a financial year, what the true value of the Monthly Seniority Payments during that financial year should be. Accordingly, LHBs must pay, each month, an estimate of what the true value of the Monthly Seniority Payments should be, and that estimate must be the estimate of the net monthly Pensionable Earnings (i.e. net of any Pensionable Earnings that are attributable to any Monthly Seniority Payments) that appears in respect of the Dentist Performer on the contractor's Monthly Payment Schedule.

6.12 The amount of this monthly estimate becomes payable on the first working day of the month after the month to which the Monthly Seniority Payment relates. Any excess that falls due once the true value of the Monthly Seniority Payments is ascertained becomes payable once that true value is ascertained by the LHB.

Conditions attached to Monthly Seniority Payments

6.14 Monthly Seniority Payments, or any part of such payments, are only payable if the following conditions are satisfied—

- (a) the contractor must make available to the LHB any information which the LHB does not have but needs, and the contractor either has or could reasonably be expected to obtain, in order to calculate the payment;
- (b) the contractor must notify the LHB of any change in the amount of the net monthly Pensionable Earnings (i.e. net of any Pensionable Earnings that are attributable to any Monthly Seniority Payments) of the Dentist Performers employed or engaged by it; and
- (c) all information provided pursuant to or in accordance with this paragraph must be accurate.

6.14 If the contractor breaches any condition of its payments under this Section that is set out in this SFE (including the conditions that are set out in paragraph 6.13), the LHB may, in appropriate circumstances, withhold payment of any or any part of a payment under this Section that is otherwise payable.

7. Payments in respect of vocational training

7.1 Payments in respect of vocational training are payments to a contractor who employs a Vocational Trainee. They are intended to meet the salary costs of employing the Vocational Trainee, provide payment to the Dentist Performer who is providing the vocational training to the Vocational Trainee and to provide a payment to the contractor to cover service costs. The payments are only intended to meet the costs of providing vocational training to those graduates who are required to complete 12 months vocational training to remain on the performers lists (apart from any “relevant period of employment” determined in accordance with Regulation 28(3) of the Performers Lists Regulations 2004).

Eligibility for payments in respect of vocational training

7.2 A contractor will be eligible to receive payments under this Section where—

- (a) the contractor employs or engages a Dentist Performer who is a Trainer;
- (b) the contractor has employed a Vocational Trainee under a contract of employment for—
 - (i) a period of one year’s full-time employment (or an equivalent period of part-time employment); or
 - (ii) any other period which is a “relevant period of employment” for the purposes of regulation 28(3) of the Performers Lists Regulations; or
 - (iii) such period of employment, which shall not exceed 12 months, considered by the Director of Postgraduate Dental Education to be in the interest of the efficiency of the service.
- (c) under that contract of employment, the contractor has agreed to pay the Vocational Trainee a monthly salary at a full-time (at least 35 hours per week) rate of

£2,634.95 per month or the amount specified for that period *pro rata* if the Vocational trainee is part-time; and

(d) the Vocational Trainee is not exempt from the requirement to complete 12 months vocational training to remain on the performers lists (apart from any “relevant period of employment” determined in accordance with Regulation 28(3) of the Performers Lists Regulations 2004.

7.3 Any attendance by a Vocational Trainee at a day release course in connection with the vocational training scheme is to be included in the calculation of his or her contracted hours.

Applications for payments under this Section

7.4 Where a contactor satisfies the eligibility criteria specified in paragraph 7.2, read with paragraph 7.3, in order to obtain payments in respect of vocational training, it must make an application to the LHB on a standard form (set nationally and available electronically), and that application must include–

- (a) the following information-
 - (i) the name of the Vocational Trainee appointed,
 - (ii) the date when the Vocational Trainee’s employment commenced,
 - (iii) the number of hours to be worked by the Vocational Trainee per week,
 - (iv) the date when the Vocational Trainee’s employment will end, and
 - (v) the date of the month on which payment of the salary will be made to the Vocational Trainee;
- (b) a certificate provided by the Director of Postgraduate Dental Education verifying that the information provided pursuant to paragraph (a) is correct; and
- (c) a declaration in writing that the contractor will pay the Vocational Trainee a monthly salary at a full-time (at least 35 hours per week) rate of £2,634.95 per month or the amount specified for that period *pro rata* if the Vocational Trainee is part-time; and
- (d) confirmation in writing from the Director of Postgraduate Dental Education that the Vocational trainee must-
 - (i) complete 12 months vocational training to remain on the performers list; or
 - (ii) that the dentists must complete a “relevant period of employment” by virtue of Regulation 28(3) of the Performers Lists Regulations 2004; or
 - (iii) complete such period of employment, which shall not exceed 12 months, considered to be in the interest of the efficiency of the service.

Vocational training payments to be made

7.5 Provided the contractor satisfies the eligibility criteria set out in paragraph 7.2 and has applied in accordance with paragraph 7.4, the contractor is entitled to receive the following four types of vocational training payment during the currency of a training contract with a Vocational Trainee–

- (a) a training grant of £863.51 per month, if the Vocational Trainee is full-time (i.e. has contracted hours of at least 35 hours per week), or the amount specified for that period *pro rata* if the Vocational Trainee is part-time;

- (b) reimbursement of the salary which the contractor has paid to the Vocational Trainee, which is to be £2,634.95 per month, less-
 - (i) the Vocational Trainee's employee superannuation contributions (if the Vocational Trainee is a member of the NHS Pension Scheme) in respect that Vocational Trainee's salary (see paragraph 4.3(a)), if the Vocational Trainee is full-time (i.e. has contracted hours of at least 35 hours per week), or
 - (ii) The amount specified for that period *pro rata* if the Vocational Trainee is part-time;
- (c) where a salary is reimbursed pursuant to sub-paragraph (b), reimbursement of the amount of any employer's national insurance contributions which are payable by the contractor in respect of that salary; and
- (d) a sum that represents the service cost to the contractor of employing the Vocational Trainee, of £4,859.34 per month, if the Vocational Trainee is full-time (i.e. has contracted hours of at least 35 hours per week), or the amount specified for that period *pro rata* if the Vocational Trainee is part-time.

7.6 Any attendance by a Vocational Trainee at a day release course in connection with the vocational training scheme is to be included in the calculation of his or her contracted hours.

7.7 The payments due to a contractor under this Section become payable on the first working day of the month after the month to which the claim for the payments relates, which need not be a calendar month. Only one application for payments need be made in respect of each agreed training period, and where appropriate, *pro rata* claims may be made in respect of part months.

Conditions attached to vocational training payments

7.8 Payments under paragraph 7.5(a), or any part of such payments, are only payable if the contractor gives that training grant to the Vocational Trainee's Trainer—

- (a) within one calendar month of receiving the training grant; and
- (b) as an element of the personal income of the Trainer, subject to any lawful deduction of income tax, national insurance and superannuation contributions.

7.9 Payments under paragraph 7.5(b) or (c), or any part of such payments, are only payable if the contractor pays the Vocational Trainee his or her salary under his or her contract of employment.

7.10 The payments under paragraph 7.5, or any part of such payments, are only payable if the following conditions are satisfied—

- (a) the Trainer in respect of whom the payments are made must remain a Trainer;
- (b) the Vocational Trainee in respect of whom the payments are made must remain employed by the contractor;
- (c) the contractor must inform the LHB if there is any change of circumstances which may affect its entitlement to payments under this Section (including changes which may affect the level of the payments to which it is entitled under this Section);

- (d) the contractor must make available to the LHB any information which the LHB does not have but needs and contractor either has or could reasonably be expected to obtain in order to calculate the payment; and
- (e) all information provided by the contractor pursuant to or in accordance with subparagraphs (c) or (d) must be accurate.

7.11 If the contractor breaches any condition of its payments under this Section that is set out in this SFE (including the conditions that are set out in paragraphs 7.8 to 7.10), the LHB may, in appropriate circumstances, withhold payment of any or any part of a payment under this Section that is otherwise payable.

7.12 If there is a breach to the condition that is set out in paragraph 7.10(b), the LHB may require repayment of any payment paid to which the condition relates, or may withhold payment of any other payment payable to the contractor under this SFE, to the value of the payment paid. However, if the contract of employment is terminated by either party before it has run its full course and the Vocational Trainee does not serve out a period of notice but is instead paid an amount equal to the salary due in respect of the period of notice, the contractor will be entitled to receive payments under paragraph 7.5(b) and (c) in respect of the amount of the salary which it has paid to the Vocational Trainee in respect of the period of notice, up to a maximum of one month's salary.

8. Payments in respect of maternity, paternity and adoption leave

8.1 Employees of contractors will have rights to time off for ante-natal care, maternity leave, paternity leave, adoption leave, parental leave, time off for dependents and the right to request flexible working if they satisfy the relevant entitlement conditions under employment legislation for those types of leave. The right of partners in partnerships to these types of leave is a matter for their partnership agreement.

8.2 If an employee, a partner in a partnership or a contractor is a Dentist Performer, the contractor that employs or engages that Dentist Performer will be entitled under this Section to payments from the LHB in respect of a period of maternity leave, paternity leave or adoption leave taken by that Dentist Performer, provided the eligibility criteria are satisfied and the relevant payment conditions are not breached. However, nothing in the conditions for payments to contractors under this Section will be interpreted as qualifying a Dentist Performer's statutory rights. In any event, even if the LHB is not directed in this SFE to make payments to a contractor in respect of parental leave, it may do so as a matter of discretion. The powers to do so are set out in section 68 of the 2006 Act.

Eligibility for maternity leave payments

8.3 A contractor is entitled to receive a maternity leave payment in respect of a Dentist Performer that it employs or engages if–

- (a) the Dentist Performer's name has been included in a Dental List for a period of at least 2 years (subject to paragraph 8.7), and the last 26 weeks of that period must have been continuous and must have been a period of continuous employment or engagement that required the performance of dental services as part of the NHS and must have immediately preceded the 15th week before the expected week of confinement;

(b) the Dentist Performer has become pregnant and has reached, or been confined before reaching, the commencement of the 11th week before the expected week of confinement;

(c) the Dentist Performer has ceased to perform dental services under the contractor's GDS contract in order to take maternity leave (which for these purposes includes leave for ante-natal care) excluding any optional keeping in touch days on which it has been agreed between the contractor and the Dentist Performer that the Dentist Performer will work; and

(d) the payment relates to a Parental Leave Pay Period and not a period of sickness absence.

Eligibility for paternity leave payments - birth

8.4 A contractor is entitled to receive a paternity leave payment in respect of a Dentist Performer that it employs or engages if—

(a) the Dentist Performer's name has been included in a Dental List for a period of at least 2 years (subject to paragraph 8.7) and the last 26 weeks of that period must have been a period of continuous employment or engagement that required the performance of dental services as part of the NHS ending with the week immediately preceding the child's date of birth;

(b) the Dentist Performer is either—

(i) the father of the child; or

(ii) married to or the partner of the child's mother, but not the child's father;

(iii) has, or expects to have—

(aa) if he is the child's father, responsibility for the upbringing of the child; or

(bb) if he is the mother's husband or partner but not the child's father, the main responsibility, (apart from any responsibility of the mother) for the upbringing of a child.

(c) the Dentist Performer has ceased to perform dental services under the contractor's GDS contract in order to take paternity leave; and

(d) the payment relates to a Parental Leave Pay Period and not to a period of sickness absence.

Eligibility for paternity leave payments – adoption

8.5 A contractor is entitled to receive a paternity leave payment in respect of a Dentist Performer that it employs or engages if—

(a) the Dentist Performer's name has been included in a Dental List for a period of at least 2 years (subject to paragraph 8.7) and the last 26 weeks of that period must have been a period of continuous employment or

engagement that required the performance of dental services as part of the NHS ending with the week in which the child is adopted;

- (b) the Dentist Performer is either—
 - (i) married to, or the partner of the child’s adopter; and
 - (ii) has, or expects to have, the main responsibility (apart from the responsibility of the adopter) for the upbringing of the child;
- (c) the Dentist Performer has ceased to perform dental services under the contractor’s GDS contract in order to take paternity leave; and
- (d) the payment relates to a Parental Leave Pay Period and not to a period of sickness absence.

Eligibility for adoption leave payments

8.6 A contractor is entitled to receive an adoption leave payment in respect of a Dentist Performer that it employs or engages if—

- (a) the Dentist Performer’s name has been included in a Dental List for a period of at least 2 years (subject to paragraph 8.7), and the last 26 weeks of that period must have been a period of continuous employment or engagement that required the performance of dental services as part of the NHS and must have immediately preceded the date of the adoption;
- (b) the Dentist Performer has become the adoptive parent of a child and is the main care provider for that child;
- (c) the Dentist Performer has ceased to provide dental services under the contractor’s GDS contract in order to take adoption leave excluding any optional keeping in touch days on which it has been agreed between the contractor and the Dentist Performer that the Dentist Performer will work; and
- (d) the payment relates to a Parental Leave Pay Period and not to a period of sickness absence.

Parental leave for those who have undertaken approved vocational training

8.7 In the case of a Dentist Performer who has undergone one year’s approved vocational training, the 2 years mentioned in paragraphs 8.3(a), 8.4(a) and 8.5(a) and 8.6(a) will be reduced to one year.

Meaning of “Parental Leave Pay Period”

8.8 In this Section, “Parental Leave Pay Period” means—

- (a) in the case of a maternity leave payment, a period not exceeding 26 weeks commencing—
 - (i) not earlier than the 11th week before the expected week of confinement, nor later than the expected week of confinement, or

- (ii) if confinement occurs prior to the eleventh week before the expected week of confinement, on the Monday immediately before the actual date of confinement;

in respect of which a claim for payments is made by or in respect of a person taking maternity leave (which for these purposes includes leave for ante-natal care) under this Section;

- (b) in the case of a paternity payment, a period not exceeding 2 weeks commencing within 26 weeks of the date of the relevant birth or adoption and in respect of which a claim for payments is made by or in respect of a person taking paternity leave under this Section;
- (c) in the case of an adoption leave payment, a period not exceeding 26 weeks which immediately follows the date of the adoption and in respect of which a claim for payments is made by or in respect of a person taking adoption leave under this Section.

Applications for parental leave payments

8.9 Where a Dentist Performer satisfies the eligibility criteria specified in paragraph 8.3, 8.4, 8.5 or 8.6, in order to obtain parental leave payments in respect of that Dentist Performer, the contractor must make an application to the LHB on a standard form (set nationally and available electronically), and that application must include–

- (a) the intended dates of the Dentist Performer’s Parental Leave Pay Period (i.e. the Parental Leave Pay Period in respect of which the application is being made); and
- (b) details of the Dentist Performer’s estimated net monthly Pensionable Earnings (which should be the amount that features in respect of that Dentist Performer on the contractor’s Monthly Payment Schedule).

8.10 If the application is in respect of maternity leave payments, the application must also include–

- (a) a maternity certificate or other statement completed by a registered medical practitioner or registered midwife, giving the expected week of confinement of the Dentist Performer or, as the case may be, the date of confinement; and
- (b) a declaration in writing from the contractor that to the best of its knowledge, with regard to the period to which the claim relates, no other claim for sickness leave payments has been made under Section 9 by it or any other contractor, or by a PDS Agreement Holder under the PDS SFE.

8.11 If the application is in respect of paternity leave payments, the application must also include–

- (a) in respect of the birth of a child, written confirmation from the contractor–
 - (i) of the expected or actual date of birth, and
 - (ii) that the Dentist Performer is the husband or partner of the mother, will share responsibility for the child’s upbringing and is taking time off to support the mother or to care for the child;
- (b) in respect of the adoption of a child, documents showing the date on which the child is expected to be placed for adoption or the actual date of the placement, the

date the adopter was notified of having been matched with the child and written confirmation from the contractor that the Dentist Performer—

- (i) is the partner of the main care provider,
 - (ii) will share responsibility for the child's upbringing, and
 - (iii) is taking time off to support his partner or to care for the child; and
- (c) a declaration in writing from the contractor that to the best of its knowledge, with regard to the period to which the claim relates, no claim for sickness leave payments has been made under Section 9 by it or any other contractor, or by a PDS Agreement Holder under the PDS SFE.

8.12 If the application is in respect of adoption leave payments, the application must also include—

- (a) in the case of an adoption within the United Kingdom-
 - (i) the date on which the child is expected to be placed for adoption; or
 - (ii) the actual date of the placement;
 - (iii) the date the adopter was notified of having been matched with the child endorsed by the appropriate adoption agency with its name and address; or
 - (iv) a matching certificate giving equivalent details;
- (b) in the case of an inter-country adoption—
 - (i) the date on which the adopter received official notification;
 - (ii) the expected date the child will enter the United Kingdom or the date upon which the child did so enter; and
 - (iii) a copy of the official notification and evidence of the date of the child's arrival;
- (c) written confirmation from the contractor that the Dentist Performer is or will be the main care provider for the child; and
- (d) a declaration in writing from the contractor that to the best of its knowledge, with regard to the period to which the claim relates, no claim for sickness leave payments has been made under Section 9 by it or any other contractor, or by a PDS Agreement Holder under the PDS SFE.

Calculation of the amount of parental leave payments and the due date

8.13 The amount to which the contractor is entitled in respect of parental leave payments is a weekly amount, calculated on the basis of the Dentist Performer's estimated monthly Pensionable Earnings (which should usually be the amount that features in respect of that Dentist Performer on the contractor's Monthly Payment

Schedule, plus the Dentist Performer's estimated monthly Pensionable Earnings in respect of any Monthly Seniority Payment to which the Dentist Performer is entitled immediately before the parental leave is taken;

This monthly amount is to be multiplied by 12 and then divided by 52 to produce the weekly amount of the parental leave payments.

8.14 That weekly amount is the amount to which the contractor is entitled in respect of each complete week of the Dentist Performer's Parental Leave Pay Period. If the last day of a week of the Dentist Performer's Parental Leave Pay Period falls in a particular calendar month, the weekly parental leave payment in respect of that week is to fall due on the first working day of the following month.

Conditions attached to parental leave payments

8.15 Payments under this Section, or any part of such payments, are only payable if the following conditions are satisfied—

- (a) the Dentist Performer must not perform any dental services during the Parental Leave Pay Period under any GDS contract or PDS agreement (other than any optional keeping in touch days on which it has been agreed between the contractor and the Dentist Performer that the Dentist Performer will work), except with the written approval of the LHB; and
- (b) unless the performer dies, the Dentist Performer in respect of whom the payments are made must continue to be a Dentist Performer and continue to be employed or engaged by the contractor (if the performer does die, parental leave payments may continue to be paid to the contractor for the balance of the Parental Leave Pay Period, provided these are forwarded by the contractor to the performer's estate); and
- (c) the contractor must continue to pay the Dentist Performer an amount equivalent to the Dentist Performer's estimated net Pensionable Earnings (which provided the basis for the calculation of the parental leave payment) during the Parental Leave Pay Period (or pay this to the performer's estate if the Dentist Performer dies).

8.16 If the contractor breaches any condition of its payments under this Section that is set out in this SFE (including the conditions that are set out in paragraph 8.15), the LHB may, in appropriate circumstances, withhold payment of any or any part of a payment under this Section that is otherwise payable.

8.17 The computation of periods of entitlement under this section is to take into account periods of leave before this SFE comes into force. Therefore, in the case of a claim for maternity leave payment in respect of a Dentist Performer who has taken a 10 weeks period of maternity leave immediately before this SFE comes into force, there will be an entitlement to a further 16 weeks of maternity leave payment under this SFE.

9. Payments in respect of long-term sickness absence

9.1 Employees of contractors will, if they qualify for it, be entitled to statutory sick pay for 28 weeks of absence on account of sickness in any three years. The right of

partners in partnership agreements to paid sickness leave is a matter for their partnership agreement.

9.2 If an employee, a partner in a partnership or a contractor is a Dentist Performer, the contractor that employs or engages that Dentist Performer will be entitled under this Section to payments from the LHB in respect of a period of long term sickness absence taken by that Dentist Performer, provided the eligibility criteria are satisfied and the relevant payment conditions are not breached. However, nothing in the conditions for payments to contractors under this Section will be interpreted as qualifying a Dentist Performer's statutory rights. In any event, even if the LHB is not directed in this SFE to make payments to a contractor in respect of sickness absence, it may do so as a matter of discretion. The powers to do so are set out in section 68 of the 2006 Act.

Eligibility for sickness leave payments

9.3 A contractor is entitled to receive sickness leave payments in respect of a Dentist Performer that it employs or engages if, in respect of a complete week of sickness absence—

- (a) subject to paragraph 9.4, the Dentist Performer's name has been included in a Dental List for a period of at least 2 years, which need not be a continuous period and part or all of that period need not immediately precede the period of sickness, but during those 2 years (or that aggregate of 2 years) he must have been performing dental services as part of the NHS;
- (b) the Dentist Performer has been unable to provide dental services under the contractor's GDS contract because of sickness, but sickness leave payments are not payable in respect of the first 4 weeks of absence;
- (c) the Dentist Performer has been in receipt of payments under this Section for less than the maximum of 22 weeks during a period of sickness; and
- (d) the contractor is not in receipt of payments under Section 8 in respect of the Dentist Performer.

9.4 In the case of a Dentist Performer who has undergone one year's approved vocational training, the 2 years mentioned in paragraph 9.3(a) will be reduced to one year.

9.5 Sickness leave payments are only payable in respect of a maximum of 22 weeks in any period of 52 weeks. So, for example, once sickness leave payments have been made in respect of a Dentist Performer for a continuous period of 22 weeks, it will be a further 30 weeks before the LHB could again be obliged to make sickness leave payments in respect of that Dentist Performer. However, the LHB may waive the eligibility criterion set out in this paragraph in any case where it considers it is reasonable in all the circumstances to do so. The computation of periods of sickness leave is to take into account periods of sickness leave before this SFE comes into force.

Applications for sickness leave payments

9.6 Provided a Dentist Performer satisfies the eligibility criteria specified in paragraphs 9.3 to 9.5, the contractor must make an application to the LHB on a standard form (set nationally and available electronically), in order to obtain a sickness leave payment in respect of that Dentist Performer. That application must include—

- (a) a medical certificate, or other statement, completed by a registered medical practitioner to the effect that the Dentist Performer is incapable of work by reason of sickness; and
- (b) a declaration in writing from the contractor that to the best of its knowledge, with regard to the period to which the claim relates, no other claim for parental leave payments has been made under Section 8 by it or any other contractor, or by a PDS Agreement Holder under the PDS SFE.

Calculation of the amount of sickness leave payments and the due date

9.7 The amount to which the contractor is entitled in respect of sickness leave payments is a weekly amount, calculated on the basis of the Dentist Performer's estimated monthly Pensionable Earnings (which should usually be the amount that features in respect of that Dentist Performer on the contractor's Monthly Payment Schedule, plus his or her estimated monthly Pensionable Earnings in respect of any Monthly Seniority Payment to which the Dentist Performer is entitled immediately before the sickness leave is taken.

This amount is to be multiplied by 12 and then divided by 52 to produce, subject to paragraph 9.8, the weekly amount of the sickness leave payments.

9.8 The weekly amount determined in accordance with paragraph 9.7. is the amount to which the contractor is entitled in respect of each complete week during which the Dentist Performer is absent and continues to satisfy the eligibility criteria. If the last day of such a week falls in a particular calendar month, the weekly sickness leave payment in respect of that week is to fall due on the first working day of the following month.

Conditions attached to sickness leave payments

9.9 Payments under this Section, or any part of such payments, are only payable if the following conditions are satisfied—

- (a) the contractor must, if the LHB so requests, provide the LHB with medical certificates or other statements to the effect that the Dentist Performer is incapable of work by reason of sickness, completed by a registered medical practitioner, covering any period of absence in respect of which a sickness leave payment is being claimed;
- (b) the Dentist Performer must not perform any dental services under a GDS contract or PDS agreement during any period of absence in respect of which a sickness leave payment is claimed, except with the written approval of the LHB;
- (c) unless he or she dies, the Dentist Performer in respect of whom the payments are made continues to be a Dentist Performer and continues to be employed or engaged by the contractor (if the Dentist Performer does die, sickness leave payments may continue to be paid to the contractor for the balance of the 22 weeks for which sickness leave payments would otherwise have been payable, provided these are forwarded by the contractor to the Dentist Performer's estate); and
- (d) the contractor must continue to pay the Dentist Performer at least the Dental Performer's estimated net Pensionable Earnings during the Dentist Performer's absence (or pay this to the Dentist Performer's estate if the Dentist Performer dies).

9.10 If the contractor breaches any condition of its sickness leave payments that is set out in this SFE (including the conditions that are set out in paragraph 9.9), the LHB may, in appropriate circumstances, withhold payment of any or any part of a payment under this Section that is otherwise payable.

10. Reimbursement of non-domestic rates

10.1 Under this Section, a contractor may be able to claim reimbursement of the Non-domestic Rates payable in relation to any premises at which it provides services under its GDS contract.

Eligibility for reimbursement of non-domestic rates

10.2 A contractor is entitled to receive reimbursement of payments in respect of its non-domestic rates for practice premises if, in any financial year–

- (a) It is a Non-Domestic Ratepayer or, where the contractor is a partnership, one of the partners comprising the partnership is the Non-Domestic Ratepayer, as regards the hereditament that comprises or includes the practice premises and in respect of which the claim is made (“the Hereditament”); and
- (b) subject to paragraph 10.3, the total value of the primary dental services provided at the practice premises as part of the NHS is not less than £25,000.

10.3 The LHB may waive the eligibility criterion in paragraph 10.2(b) in any case where it considers it is reasonable in all the circumstances to do so.

Applications for reimbursement of non-domestic rates

10.4 Provided the contractor satisfies the eligibility criteria specified in paragraph 10.2, read with paragraph 10.3, it must make an application to the LHB on a standard form (set nationally and available electronically), in order to obtain reimbursement in respect of its non-domestic rates. That application must include–

- (a) the Demand Notice for the financial year to which the claim relates, or a copy of it certified by the Billing Authority;
- (b) in respect of the Hereditament–
 - (i) a receipt from the Billing Authority for the whole amount or, if the contractor pays the annual amount in two instalments, half the amount of the contractor’s (or the partner’s) annual liability for non-domestic rates, specified in the Demand Notice, or
 - (ii) if the contractor (or the partner) pays its non-domestic rates by monthly instalments, details of the amount to be paid each month, the date the payments are due to commence and the date the payments are due to cease, together with the Demand Notice specifying the monthly instalments due; and where the contractor wishes to be reimbursed in a lump sum after payment of all the instalments, it must provide proof of payment for the whole amount specified in the Demand Notice;
- (c) a declaration in writing from the contractor specifying the proportion, expressed as a percentage, which its income under its GDS contract bears to the gross

income of the Hereditament from the provision of dental services (i.e. from both NHS and private work) during the last 6 months of the financial year preceding the financial year in respect of which the claim for reimbursement is being made; and

- (d) a declaration in writing from the contractor undertaking, if requested to do so by the LHB, within three months of receiving such a request to provide to the LHB documentary evidence sufficient to demonstrate accurately the proportion that its income under its GDS contract bore to the gross income of the Hereditament from the provision of dental services (i.e. from both NHS and private work) in the last 6 months of the financial year preceding the financial year in respect of which the claim for reimbursement is being made.

10.5 Where the contractor seeks reimbursement of an amount in respect of non-domestic rates in relation to more than one Hereditament, it shall submit to the LHB a separate claim in respect of each such Hereditament.

10.6 For the purposes of this Section, the gross income of a Hereditament from the provision of dental services means the gross income from any dental services provided at or associated with the Hereditament by either the contractor or any dental practitioner that the contractor employs or engages.

Amount of non-domestic rates that may be reimbursed

10.7 The amount to which the contractor is entitled in respect of a reimbursement payment in any financial year is the amount specified in the Demand Notice for that financial year less, where the gross income of the Hereditament from the provision of dental services includes any income which is not derived from its GDS contract, any amount (“the abatement”) calculated in accordance with paragraph 10.8.

10.8 The amount of the abatement will be based on the percentage that the contractor is required to declare in accordance with paragraph 10.4(c). Wherever that percentage features in column 1 of the table below (as adjusted, where appropriate, in the light of further information received by the contractor, as requested in accordance with paragraph 10.4(c)) the corresponding percentage opposite that entry in column 2 is the amount, in percentage terms, of the abatement.

<i>COLUMN 1</i>	<i>COLUMN 2</i>
<i>Proportion which the GDS contract income bears to the gross income of the Hereditament</i>	<i>Proportion of Non-domestic Rates to be abated</i>
90% or more	No abatement
80% or more but less than 90%	10%
70% or more but less than 80%	20%
60% or more but less than 70%	30%
50% or more but less than 60%	40%
40% or more but less than 50%	50%
30% or more but less than 40%	60%
20% or more but less than 30%	70%

10% or more but less than 20%	80%
Less than 10%	90%

10.9 The amount to which the contractor is entitled falls due once the LHB receives a valid application for the amount.

Conditions attached to payments under this Section

10.10 Payments under this Section, or any part of such payments, are only payable if the following conditions are satisfied—

- (a) the contractor must, as regards the Hereditament to which the payment relates, comply with its contract condition set by virtue of paragraph 12 of Schedule 3 to the GDS Contracts Regulations;
- (b) the contractor must make available any information which the LHB does not have but needs, and which the contractor either has or could reasonably be expected to obtain, in order to calculate the amount of the contractor's reimbursement payments;
- (c) the contractor must inform the LHB of any changes to its circumstances which may affect its eligibility for reimbursement payments or the level of the reimbursement payments to which it may be entitled; and
- (d) all information supplied pursuant to or in accordance with sub- paragraphs (b) or (c) must be accurate.

10.11 If the contractor breaches any condition of its payments under this Section that is set out in this SFE (including the conditions that are set out in paragraph 10.10), the LHB may, in appropriate circumstances, withhold payment of all or any part of a payment under this Section that is otherwise payable.

PART 3
SUPPLEMENTARY PROVISIONS

11. Administrative provisions

Payment arrangements

11.1 Payment under this SFE will be undertaken on the LHB's behalf by the NHS BSA and will be paid on the due date. The making of the payments which are required to be paid under these Directions was made a function of the NHS BSA by virtue of entry 1(a) of column 2 in the Schedule to the Functions Regulations. By virtue of regulation 2(3)(b) of those Regulations, an LHB may exercise that function itself only in the event that the NHS BSA is unable to do so for reasons other than a failure by the LHB to co-operate in a reasonable manner with the NHS BSA.

11.2 This means that although it remains the responsibility of the LHB to determine the correct amount of the payment (subject to the specific arrangements for making the annual adjustments determined by the Welsh Ministers which are set out in paragraph 2.8), it must be the NHS BSA that actually makes the payment to the contractor.

11.3 In practice, the LHB will be responsible for loading payment data into the NHS BSA's computerised payment system, and this system will normally generate the amount of the payments to be made.

11.4 The NHS BSA has a responsibility (under entry 5 in column 3 of the Schedule to the Functions Regulations) for reporting to the LHB evidence that it discovers in the course of carrying out its functions which it considers might be evidence of a breach of contract, an unlawful activity or an irregularity – or a matter which is otherwise unusual – but ultimate responsibility for ensuring that contractors are paid the correct amount rests with the LHB. Indeed, the LHB is responsible for any acts or omissions of the NHS BSA with regard to the payment functions that it has under the Functions Regulations, including the payment functions that the NHS BSA must perform on the LHB's behalf (see regulation 2(4) of the Functions Regulations).

11.5 Therefore, because the NHS BSA is effectively acting as the agent of the LHB as regards the making of payments, the making of payments is referred to elsewhere in this SFE (see for example paragraph 11.8) as a function of the LHB, even though the function is performed by the NHS BSA. As mentioned in the previous paragraph, this reflects the underlying legal liability, but in practice, references in this SFE to LHBs making payments will need to be construed in accordance with the arrangements for making payments described in the preceding paragraphs of this Section.

11.6 However, where reference is made in this SFE to decisions with regard to the withholding of payments or the making of deductions (see for example the next paragraph), these will need to be decisions of the LHB, although the NHS BSA will be putting the decision into effect on the LHB's behalf.

Overpayments and withheld amounts

11.7 Without prejudice to the specific provisions elsewhere in this SFE relating to overpayments of particular payments, if an LHB makes a payment to a contractor under its GDS contract pursuant to this SFE and—

- (a) the contractor was not entitled to receive all or part thereof, whether because—
 - (i) it or a person employed or engaged by it did not meet the eligibility criteria for the payment, or
 - (ii) the payment was calculated incorrectly (including where a payment on account overestimates the amount that is to fall due);
- (b) the LHB was entitled to withhold all or part of the payment because of a breach of a condition attached to the payment, but is unable to do so because the money has already been paid; or
- (c) the LHB is entitled to repayment of all or part of the money paid,

the LHB may recover the money paid by deducting an equivalent amount from any payment payable pursuant to this SFE (in instalments, where that is appropriate), and where no such deduction can be made, it is a condition of the payments made pursuant to this SFE that the contractor must pay to the LHB that equivalent amount.

11.8 Where an LHB is entitled pursuant to this SFE to withhold all or part of a payment because of a breach of a payment condition, and the LHB does so or recovers the money by deducting an equivalent amount from another payment in accordance with paragraph 11.7, it may, where it sees fit to do so, reimburse the contractor the amount withheld or recovered, if the breach is cured.

Underpayments and late payments

11.9 Without prejudice to the specific provisions elsewhere in this SFE relating to underpayments of particular payments, if the full amount of a payment that is payable pursuant to this SFE has not been paid before the date on which the payment falls due, then unless—

- (a) this is with the consent of the contractor; or
- (b) the amount of, or entitlement to, the payment, or any part thereof, is in dispute,

once it falls due, it must be paid promptly (see regulation 21(1) of the GDS Contracts Regulations).

11.10 If the contractor's entitlement to the payment is not in dispute but the amount of the payment is in dispute, then once the payment falls due, pending the resolution of the dispute, the LHB must—

- (a) pay to the contractor, promptly, an amount representing the amount that the LHB accepts that the contractor is at least entitled to; and
- (b) thereafter pay any shortfall promptly, once the dispute is finally resolved.

11.11 However, if a contractor has—

- (a) not claimed a payment to which it would be entitled pursuant to this SFE if it claimed the payment; or
- (b) claimed a payment to which it is entitled pursuant to this SFE but an LHB is unable to calculate the payment until after the payment is due to fall due because

it does not have the information it needs in order to calculate that payment (all reasonable efforts to obtain the information having been undertaken),

that payment is (instead) to fall due on the first working day of the month after the month during which the LHB obtains the information it needs in order to calculate the payment.

Payments on account

11.12 Where the LHB and the contractor agree (but the LHB's agreement may be withdrawn where it is reasonable to do so and if it has given the contractor reasonable notice thereof), the LHB must pay to a contractor on account any amount that is—

- (a) the amount of, or a reasonable approximation of the amount of, a payment that is due to fall due pursuant to this SFE; or
- (b) an agreed percentage of the amount of, or a reasonable approximation of the amount of, a payment that is due to fall due pursuant to this SFE,

and if that payment results in an overpayment in respect of the payment, paragraph 11.7 applies.

Time limitation for claiming payments

11.13 Subject to paragraphs 11.14 and 11.15, contractors are only eligible for payments under this SFE if the payments are claimed within three months of the date on which they could first have fallen due.

11.14 Subject to paragraph 11.15, a contractor is only eligible to receive reimbursement in respect of non-domestic rates under Section 10—

- (a) where it is claiming a single payment of the full amount due as a reimbursement in respect of any financial year, if it makes a valid application within three months of the date in the Demand Notice on which the full amount of its non-domestic rates for that financial year falls due;
- (b) where it is claiming two payments, each of half the full amount due as a reimbursement in respect of any financial year, if in relation to each application for a payment it has made a valid application within three months of the date in its Demand Notice on which the corresponding six-monthly amount of its non-domestic rates for that financial year falls due;
- (c) where it is claiming reimbursement of monthly instalments of non-domestic rates in monthly instalments, if it has made a valid application within three months of the date on which the first of the monthly instalments of non-domestic rates falls due.

11.15 The LHB may waive the eligibility criteria in paragraph 11.13 and 11.14 in any case where it considers it is reasonable in all the circumstances to do so.

Payments to or in respect of suspended dentists whose suspension ceases

11.16 If the suspension of a dental practitioner from a Dental Performers List ceases, and—

- (a) that dental practitioner enters into a GDS contract any payments that the dental practitioner received under a determination made under regulation 13(17) of the

Performers Lists Regulations(1) may be set off, equitably, against the payments that it is entitled to receive under its GDS contract pursuant to this SFE; or

- (b) a contractor is entitled to any payments in respect of that dental practitioner pursuant to this SFE and a payment was made to the dental practitioner pursuant to a determination made under regulation 13(17) of the Performers Lists Regulations(2) but the dental practitioner was not entitled to receive all or any part thereof, the amount to which the dental practitioner was not entitled may be set off, equitably, against the payments that the contractor is entitled to in respect of him or her pursuant to this SFE.

Effect on periodic payments of termination of a GDS contract

11.17 If a GDS contract is terminated before the end of the period to which it relates, under which a periodic payment (generally, the monthly contract payments) is payable pursuant to this SFE, a proportion of that payment is to fall due on the last day on which the contract has effect. The amount of the periodic payment payable is to be adjusted by the fraction produced by dividing—

- (a) the number of days during the period to which the payment relates for which the GDS contract has effect; by
- (b) the total number of days in that period.

11.18 This is without prejudice to any arrangements for the recovery of money paid under the GDS contract that is recoverable as a result of the contract terminating or any breach thereof.

Overpayment and termination of a GDS contract

11.19 If a GDS contract is terminated before the end of the period to which it relates, under which a periodic payment (generally, the monthly contract payments) is payable pursuant to this SFE, the LHB shall perform a reconciliation of the payments made by the LHB to the Contractor under the contract. The LHB shall serve the Contractor with written details of the reconciliation as soon as reasonably practicable, and in any event no later than four months after the termination of the contract, in respect of all outstanding payments due to the contractor from the LHB and any patient charges due to be paid by the contractor to the LHB.

11.20 Payments pursuant to this SFE and the reconciliation statement referred to in 11.19 above —

- (a) payable to the contractor by the LHB must be paid in accordance with 11.17(a) and (b) above in respect of the amount of periodic payment payable,
- (b) that have been made to a contractor by the LHB to which that contractor was not entitled may be recovered by the LHB by deducting an equivalent amount from any payment payable pursuant to this SFE.

(1) See Annex 1.
(2) See Annex 1.

11.21 If after 2 months of the reconciliation statement being produced the contractor has not disputed the reconciliation statement, that reconciliation statement will be the amount either payable to the contractor or recoverable from the contractor, whether or not, if the reconciliation statement had been disputed, that would have led to an amended reconciliation.

11.22 Where payments pursuant to this SFE have been paid by the LHB to the contractor and it is not possible for the LHB to recover the money paid by deducting an equivalent amount from any payment payable pursuant to this SFE, the contractor must pay to the LHB that equivalent amount in accordance with regulation 21(1)(b) of the GDS Contracts Regulations, and 11.7 above.

Dispute resolution procedures

11.23 Any dispute arising out of or in connection with this SFE between an LHB and a contractor is to be resolved as a dispute arising out of or in connection with the contractor's GDS contract, i.e. in accordance with the NHS dispute resolution procedures or by the courts (see Part 7 of Schedule 3 to the GDS Contracts Regulations).

11.21 The procedures require the contractor and the LHB to make every reasonable effort to communicate and cooperate with each other with a view to resolving the dispute between themselves before referring it for determination.
