The lengths of the trunk road being the entry and exit slip roads from their junctions with the main westbound carriageway of the A40 trunk road to a point 412 metres west of the centre-point of its junction with W4110 Manor Way (known as the A40 Link Road to Carmarthen Livestock Market).

**THE A40 TRUNK ROAD (TRAVELLERS REST, CARMARTHENSHIRE) (50 MPH AND 30 MPH SPEED LIMITS) ORDER 201-**

### **STATEMENT OF REASONS**

The proposed Order is required in the interest of road safety.

The proposed order is required to reduce the speed of traffic along this section of the A40 to enable a safe environment to be provided for the increased pedestrian and cycle activity in the area and the increased number of vehicles which will be using this junction following the opening of the Carmarthen Western Link Road.

A temporary 30 mph speed limit (S.I. 2018/1028) (W. 126) and a temporary prohibition of vehicles and 30 mph speed limit (S.I. 2018/1418) (w.266) are currently in place at the above location and will be revoked in a separate revocation order. The temporary prohibition of vehicles is no longer required, as it was only needed to construct the new Carmarthen Western Link Road which is now open to traffic.

Caerfyrddin sydd bellach ar agor i draffig.

Cynhaliwyd adolygiad o'r terfynau cyflymder ar y rhan hon o'r A40 yn unol â Chylchlythyr Llywodraeth Cymru 24/2009 — 'Canllawiau ar gyfer Pennu Terfynau Cyflymder Lleol yng Nghymru'. Nid oedd y datblygiad tai arfaethedig yn hysbys pan gynhaliwyd yr adolygiad o'r rhan hon o'r ffordd. Yr argymhelliaid oedd peidio â newid y terfynau cyflymder presennol, ond oherwydd y datblygiad tai arfaethedig, ystyriwyd y byddai'n briodol gostwng y terfyn cyflymder i 30 mya a 50 mya.

The speed limits on this section of A40 have been reviewed in line with the Welsh Government Circular 24/2009 entitled 'Guidance on Setting Local Speed Limits in Wales'. When the review was undertaken on this section the proposed housing development was not known. The recommendation was not to change the current speed limits, but with the proposed housing development, a reduction for the speed limit to 30mph and 50mph would be considered appropriate.
