View north along the Llanfallteg Road to Preseli Hills from Llanddewi Velfrey

The A40 on the Llanddewi Velfrey ridge 800m to the east of the village centre.

View north from a field close to Blaen-pen-troydin over Ty Bach Wood.
Showing the characteristic pattern of wet woodland in small wet valleys between plateaus of pasture.

View of the Llanddewi Velfrey Ridge from 1.5km from an unclassified road.
Showing the characteristic pattern of pastures enclosed by hedges and hedgebacks.

View west of the A40 through Llanddewi Velfrey from beside the war memorial

The A40 and Bethel Chapel

View of the A40, east, through Llanddwei Velfrey with the former public house to the left and the war memorial right of centre.

Scale 1:5000

50m 0m 50m 100m 150m

(c) Crown Copyright and database right 2017.
Ordnance Survey 10021874. Welsh Government.

Legend

- Proposed road surface
- Earthworks cutting
- Earthworks embankment
- Surface contours
  - 10 m major interval
  - 2.5 m minor interval
- Location of representative viewpoint

Visual barriers

- Ridge lines
- Tree belts and woodland
- Hedgerow / Hedge-bank
- Non-residential building

Visual Receptors

- Right Of Way - Bridleway
- Right Of Way - Public Footpath
- Receptor Buildings (refer to Visual Effects Schedule)
- Visual effect reference number
  - Construction
  - Winter Year 0
  - Summer Year 15

Significance of visual effect

- Very large adverse
- Large adverse
- Moderate adverse
- Slight adverse
- Neutral
- Slight benefit
- Moderate benefit
- Large benefit
- Very large benefit
