Dear,

### **ATISN 14678 – Scientific Experiments**

Thank you for your request to the Welsh Government for information under the Freedom of Information Act (2000) received on 17 December. You requested information regarding fast track approval and non-consensual testing and interpreted your request as follows:

1. *To find out formally if you have been selected for non-consensual science experiments in Powys*
2. *How do the Welsh Government pick non-consensual test victims for Covid or other experiments and what is the exact figure for that in Wales and Powys?*
3. *Is this done in top secret by the military without the victims chosen doctor knowing about it?*
  - a. *If not then why do the black military planes land in Llanidloes quite regularly?*
  - b. *Are they delivering chilled vials to third parties in secret?*
  - c. *If not what are they doing here because nobody in the town actually knows?*
