

Annex: List of Modifications

Note: This Annex is a summary of the modifications to the draft Amendment (Line) Order and draft Variation to Side Roads Order (No. 2) published on 23 July 2020. No Modifications are required to the draft Supplementary Compulsory Purchase Order (No.2)

DRAFT AMENDMENT (LINE) ORDER

Modification No. 1. - Minor typographical changes to correct the text at Articles 3 and 4 to reference the correct number of sub paragraphs in the 1999 Line Order as amended by the 2019 Amendment Line Order.

DRAFT VARIATION TO SIDE ROADS ORDER (NO. 2)

Modification No. 1. - To revise Site Plan 2B to show the original configuration and references for new Private Means of Access reference 2/4a and new highway reference 2/L (footpath) as shown on the deposited Site Plan 2A included in the made Variation to the Side Roads Order 2020.

Note – Schedule 2 of the made Side Roads Order includes a new Private Means of Access reference 2/4a which is co-existent with new footpath reference 2/L and it has been agreed with the relevant interests that this will revert to the layout for these highways as shown on Site Plan 2A of the made Variation to the Side Roads Order 2020. (All the land required to revert to the original layout of the PMA and co-existent footpath has been included in the made CPO).
