

Access Reform Advisory Group (ARAG)

Llywodraeth Cymru
Welsh Government

ARAG will provide expert technical advice to the WG on the potential implementation of a number of access reform proposals. Follows on from Written Statement

gov.wales/written-statement-government-response-taking-forward-wales-sustainable-management-natural-resources

ARAG will comprise a Steering Group and a number of Expert Groups

The Steering Group will manage the overall process and programme of work, ensuring that a consistent approach is adopted across all Expert Groups

The Expert Groups will be responsible for reviewing and developing the proposals in detail. They will comprise land managers, recreational interests and the public sector.

Membership of Steering Group:

Welsh Government
Landscapes &
Outdoor Recreation

Natural
Resources
Wales

Welsh Local
Government
Association

Wales Rights of
Way Managers
Working Group

National
Parks
Wales / AONBs

Membership of the Expert Groups will be determined by the Steering Group autumn 2019.
