Dear

### **ATISN 14924: Covid19 in Gyms**

Thank you for your request to the Welsh Government for information under the Freedom of Information Act (2000) received on 19 February. You requested information related to Welsh Government awareness campaigns, specifically:

- *To provide all data that the Welsh Government's Scientific Advisors are using to publicly claim gyms could be 'super spreaders' of Covid 19 thus delaying our reopening and further jeopardising the health of our nation?*

### **Our Response**

The existing evidence considered by Welsh Government's Scientific Advisors is listed within the published paper which is publically available at the following link:

<https://gov.wales/sites/default/files/publications/2021-01/technical-advisory-group-sars-cov-2-infection-risks-at-indoor-exercise-facilities.pdf>

This paper identifies and summarises the evidence available at the time of publication around the likely transmission risks on exercise within indoor settings and the known mitigations.

Further information is available on the following links:

Information regarding the Welsh Government's strategy and evidence it has considered is published here: <https://gov.wales/strategy-evidence-coronavirus>

The UK Government has also published a number of evidence papers relating to transmission, events and gatherings available on the SAGE webpage:
