Dear Lucy,

Thank you for your letter regarding the Residential Women's Centre in Wales.

I am pleased to see this project progress with the shortlist of potential sites, and the engagement that has taken place with Welsh Government departments and the Welsh Local Government Association. I am supportive of the next steps, and ongoing close working between our two governments as we get closer to a final decision on location.

I welcome your reassurance around the sensitivities of public announcements during the pre-election period.

I would like to thank you and your officials for the considerable amount of work that has been undertaken to date to progress this exciting and important initiative.

Yours sincerely
