**Subject:** New call-in request - App 20/0748 - Proposed development at Uskmouth Power Station, Nash, Newport

Jon

I attach a minute seeking advice from Policy branch as to whether the above application should be called-in.

I also attach a copy of the application form and officers report. Other docs are available from the Council's website here: <https://licensing.newport.gov.uk/online-applications/simpleSearchResults.do?action=firstPage>

Thanks  
Ceri
