## **ATISN 15081 - Funds for Welsh language support and promotion**

Dear ,

Thank you for your request which I received on 20 April, 2021. You asked for:

*What total amount of money was made available for the Welsh language support and promotion ONLY (education, public services...) 2020 to 2021 and 2021 to 2022.*

*For example, on page 11 of the March 2021 document I have seen "Mental Health, Wellbeing and the Welsh Language £324,670,000". How much is granted to the Welsh language only?*

### **Our response**

We have a specific budget within the Division for promotion and marketing and this equates to about 7% of the total quantum. Promotion is done primarily through funding partners who promote Welsh in the community. These partners include:

- Wales Young Farmers Club
- Cymdeithas Eisteddfodau Cymru
- Cymdeithas Cyfieithwyr Cymru (*the Association of Welsh Translators and Interpreters*)
- The National Eisteddfod
- Merched y Wawr
- 22 mentrau iaith (Welsh language initiatives)
- Papurau Bro (57 local monthly newspapers)
- Urdd Gobaith Cymru

During the 2020-21 financial year, we allocated core funding of £4,237,304 to these grant partners and additional COVID-19 funding of £2,640,151, making a total of £6,877,455. This additional funding was primarily to help with COVID-19 recovery and to support many of the partners who are charities with loss of income.

In 2021-22, we have maintained the core funding of £4,237,304 with these same partners.

We also have a small marketing budget for specific marketing activities. During 2020-21, we recorded a total spend of £241,104.35 to be used on various marketing activities for the language e.g. Dydd Miwsig Cymru, Cymraeg Byd Busnes and activities to support Welsh medium education. We have allocated a budget of £218,000 for the 2021-22 financial year.

I hope you find this information helpful for your research.
