E-mail request

Our ref: ATISN 15148

Date: 25 May 2021

Dear

ATISN 15148

Thank you for your request which I received on 20 May 2021. You asked for the following information:

The mortality rates for Morriston Hospital Swansea (2015 – 2020).

Welsh Government does not hold this information.

The Office for National Statistics (ONS) collect and produce mortality statistics for England and Wales based on information from the death registration process. However, this analysis is resident based and not hospital based, i.e. where the individual lived.

Information on mortality numbers and rates by age, sex and area of residents for years prior to 2020 can be found on the Office for National Statistics' [website](#). Deaths rates for 2020 have not been finalised by the ONS. In the interim the number of deaths by area of residence can be found as part of their [excess mortality report](#).

For further information on this data, please contact the ONS at health.data@ons.gov.uk
