Dear

ATISN 15209 – Request for Information.

Thank you for your request which I received on 9 June 2021. You asked for :

- Information regarding the hedge, which adjoins my property both along the edge of the garden and the bridle path that continues further along from my property. Field indicated on submitted map. You have been informed that the hedge has a 'Glastir grant attached to it.'

Our response

Rural Payments Wales (RPW) can confirm that the hedge does not form part of a Glastir contract.

However, for information, farmers must demonstrate that they keep land in Good Agricultural and Environmental Conditions (GAEC) and that they comply with a number of specified legal requirements known as Statutory Management Requirements (SMRs). Information regarding landscape features is available at:

Next steps

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response.
