Dear ,

ATISN 15319 – Call-off contract for education and skills

Thank you for your request which I received on 10 July 2021. You asked:

- I am doing a research project investigating call-off contracts in the public sector. I have identified a potential call-off contract awarded by the Welsh Government (Education & Skills), but I can't find details of the framework agreement it was awarded from.
- I have attached an Excel file that contains the information I am looking at. The last two columns ("Title of Framework used" and "contracts finder or ted link") is where I am missing information - please could you fill these in.
- I have provided the title, description, details of the email contact from the notice, the value of the contract and procedure type used to award the potential call-off as well as a URL link to the call-off in question and unique reference ID for the potential call-off. Please let me know if there is anything else you need to complete the request.

I have looked at your request and I can confirm that the call off agreement identified was not part of a framework agreement. The call off identified was a stand-alone tender.

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:
