Subject: Y Bryn Wind Farm - cc'd letter from Coriolis Energy

Dear Minister,

Please find attached a letter cc'd to you for information in relation to the Y Bryn onshore wind farm proposals, which are currently undergoing an initial round of informal consultation. We understand you have received a letter from Mr Rees MS regarding this project and we have written to him to provide some further information on a couple of issues he has raised – see letter attached.

We are still at an early stage in the development of the proposals, with two further stages of consultation to come prior to submission of an application. We'd be more than happy to clarify any queries you had, or provide you or your office with a briefing on the project and consultation process if required.

We will ensure to keep your office updated with information through the coming future consultation phases.

Y Bryn Wind Farm -
Letter to David Rees M

Kind regards

Will Morgan
On behalf of Coriolis Energy Ltd.
