Dear

**ATISN 15509**

### **Information requested**

Thank you for your request which I received on 14 Sep 2021. You asked for:

The total number of Network and Information Systems (NIS) incidents reported to Welsh Government by relevant Operators of Essential Services (OES), and of those you asked for further breakdowns including sector, month of incident etc.

### **Our response**

I am writing to inform you that the information you have requested is not held by the Welsh Government. There are only 2 sectors that have the Welsh Ministers as the Competent Authority – that of Water and Health. For the Water sector, the Drinking Water Inspectorate (DWI) have been designated as the competent authority for the purposes of water CNI and therefore Welsh Government do not hold any information. However, I believe that the DWI may hold the information which you are seeking. You can ask them for the information at [dwi.enquiries@defra.gov.uk](mailto:dwi.enquiries@defra.gov.uk) or I can transfer your request to them. Please inform me in writing if you would like me to transfer your request.

For the Welsh Health sector, we do not hold any information as there have been no NIS reportable incidents since the adoption of the NIS Directive for Health.

### **Next steps**

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:

Information Rights Unit,  
Welsh Government,  
Cathays Park,  
Cardiff,  
CF10 3NQ  
or Email: [Freedom.ofinformation@gov.wales](mailto:Freedom.ofinformation@gov.wales)

Please remember to quote the ATISN reference number above.

You have the right to complain to the Information Commissioner. The Information Commissioner can be contacted at:

Information Commissioner's Office,  
Wycliffe House,  
Water Lane,  
Wilmslow,  
Cheshire,  
SK9 5AF

However, please note that the Commissioner will not normally investigate a complaint until it has been through our own internal review process.

Yours sincerely
