Llywodraeth Cymru
Welsh Government

We're the Welsh Government, and we work to improve the lives of people in Wales and make our nation a better place to live and work. We're here to listen and respond to the needs of our people and communities.

So why do we want to hear from you? Because we value our children and young people's views, your feedback will help us improve the service we provide to the people of Wales.

What do you do next?

If you'd like to give the Welsh Government some feedback—

You can contact Welsh Government Ministers online:

Or you can email us:

If you prefer, you can ask an adult that you trust to write the feedback on your behalf.

The Children's Commissioner for Wales can give you some advice:
