Subject: WP1 The Impact of solar PV sites on agricultural soils and land

Hi Ian, Arwel,

Please see attached our revised WP1 literature review.

As discussed, I am on holiday as of later today, I'm back on Tuesday 26th October – it would be good to have any final comments by WG / NE for our meeting on that date so that we can conclude this work package.

WP2a is well underway and we intend to have our draft to you by Friday 29th October.

Best regards,

Martin
