Dear

Thank you for your letter of 20 November regarding the A483 Llandeilo Bypass.

I have agreed funding to conduct a review on the options for the Llandeilo bypass. Welsh Transport Appraisal Guidance (WeITAG) 2017 will be used as current best practice to develop, appraise and evaluate the project and consultants have been appointed to undertake a stage 1 appraisal.

The stakeholder consultation associated with the WeITAG study will commence this month and could take up to 6 months to complete. Once a detailed timescale is developed it will be posted on our project website and set out the steps to take this project forward, including public exhibitions.
