Dear Mr Iles,

I'm sorry to keep badgering you but would really like answers to the questions set out in my letter to you on 31st March.

To save you the trouble of routing around for the letter, here are the original questions again:

- Is it possible to obtain a list of exempted camping organisations in Wales? We can't find one on Gov. Wales.
- Would you be happy for us to submit just the list of campsites we have issued certificates to for the year, or would you prefer to continue to receive copies of the certificates?
- We have heard of some exempted camping organisations permitting parties, weddings and wedding receptions on certificated campsites - and allowing well in excess of the 'five caravan/motorhome limit'. This is not our understanding of the 'exempted camping rules' and we have no wish to take this route. We would however like to know whether this is permitted.
- Similarly, we have heard of certificated campsites being open 'year round'. Again, not something we wish to pursue - but would appreciate clarification.

Hope to hear back from you.

Kind regards,
